VA Picks Orinda as Hospital Site

Orinda has been chosen as the location of a multi-million dollar eight story Veterans Administration hospital to be built by the Federal Government.

The hospital will be built on a 20 acre site adjoining the Miramonte High School.

LOCATION OF THE new VA facility, a site which had been mentioned in recent months as a possibility for the building, was revealed last Wednesday by Sam H. Franks, manager of the Oakland Veterans Hospital. The announcement came after a telephone conversation with Dr. W. S. Middleton, chief VA medical director, in Washington, D.C.

Dr. Middleton said that "very shortly" the U.S. Attorney will file a "declaration of taking" of the 20 acres now owned by the Utah Construction Company.

The property fronts about 1,000 feet on both Moraga Highway and Ivy Drive, immediately across Ivy Drive to the south of the high school.

Franks said the initial planning is for a 500-bed hospital but he will request Dr. Middleton to build a facility of from 750 to 1,000 beds.

FRANKS SAID the present Oakland Veterans Administration Hospital, which the new hospital will replace, can accommodate 712 patients.

While no construction date has been announced, VA officials consider very feasible the possibility of erection work beginning within the next year.

The land which the hospital will occupy is currently a pear orchard.

Franks also announced that the new facility will have off-street parking.

DR. MIDDLETON visited the site in July, 1955, and under a new federal ruling Val Peterson, U.S. Civil Defense director, approved its proximity to Oakland because of the shelter offered by the Oakland hills.

Customarily a VA hospital is not allowed within 30 miles of a critical target area.

Orinda was one of several Contra Costa County sites reputed to have been under consideration for the hospital location. Other prospects allegedly were Lafayette, Walnut Creek and others.

IN A LETTER to H. V. Higley, head of the Veterans Administration, early this year, Congressman John Baldwin of Martinez discussed the possibility of a Contra Costa site.

". . . I understand that one of the factors that you want to consider in the selection of a new site is that the site will be protected in the event of a bombing of the San Francisco Bay area. The range of hils between Oakland and Contra Costa County would provide effective protection in such an event," he said.

"The present Veterans Administration Hospital in Oakland serves not only the veterans of Alameda and Contra Costa Counties, but veterans all the way to the Oregon line. However, the greatest concentration of these veterans from a standpoint of population exists in Alameda and Contra Costa Counties.

"Because of the Broadway low level tunnel, it is possible to get from Oakland to Contra Costa County within a matter of a very few minutes. This will be of great advantage to families of hospitalized veterans to visit these veterans without having to make a long and time-ionsuming automobile trip," he concluded.

Supervisors Approve Pine Grove Rezoning

Orinda Association Plans To Take Fight to Courts

Unanimous approval of Pacific Intermountain Express Company's application for administrative office district rezoning of its 10.7-acre parcel at the Pine Grove was voted by the County Board of Supervisors Tuesday.

The decision was followed by adoption of a rezoning ordinance, which will become effective June 8. The action touched off anew sharply divergent reactions in the long-pending, highly controversial dispute.

"The Orinda Association is firmly convinced that this ruling is not in the best interests of the community, and we plan to carry the matter to the courts, where an unbiased ruling, devoid of special interest considerations, can be obtained," said A. M. Arighi, president of the Orinda Association.

"IN THE MEANTIME," Arighi continued, "we feel that the taxpayers should demand action from the supervisors to overhaul the long-range planning program for the county so that just value for the money being spent will be obtained.

"Until master planning is provided for the whole county, it is much easier for special interests to obtain their wants at the expense of good planning."

THE FACT FINDERS, local group opposed to the stand of the association, hailed the supervisors' uphouding of the County Planning Commission's recommendation.

"Now that the decision has been ratified," said Leo J. Alexander, chairman of the Fact Finders, "let us hope that there will be an end to the internal bickering and verbal sniping that has plagued our beautiful community.

"Let us hope that the Orinda Association will accept the decision in the spirit that it was rendered, with the best interests of Orinda at heart. And let us suggest that the present well-meaning but misguided leadership resign and that the Orinda Association hold a new election, picking leaders more representative of the membership as a whole."

MOTION TO UPHOLD the Planning Commission recommendation was by Supervisor Ray Taylor, seconded by Supervisor Ivan Goyak.

Prior to the vote, each of the five supervisors expressed himself in favor of the rezoning plan.

Chairman H. L. Cummings, after mentioning that the supervisorial hearing had been closed April 19, said he felt the people of Orinda would "not be unhappy" if the application were granted and that he believed erection of the $750,000 office headuarters planned by PIE would not adversely affect the community.

Taylor said he favored the rezoning "not only from the point of view of Orinda but also of the whole county."

GOYAK STATED he thought the building would be an asset to Orinda, that the immediate area was not residential and that the PIE project would be of benefit taxwise.

Supervisor W. G. Buchanan, saying he had again viewed the site last weekeknd, declared he wouldn't be interested in factories or "honky-tonks" and referred to confusion over the conflicting polls — the association-conducted poll of last February with a result of 3298 against rezoning and 1460 favoring rezoning, and the PIE-conducted poll of last June with a 76 per cent tally in favor of rezoning.

Supervisor J. Frederickson said he concurred with the other supervisors.

Less than two hours after approving the application, the supervisors adopted the ordinance brought in by Deputy District Attornev Matthew Walker.

ARIGHI DECLARED that the supervisors' action "marks a low spot in the history of planning for Contra Costa County."

"It demonstrates again," he said, "that principles of good planning are ignored for the benefit of special interests. Granting of PIE's application for rezoning the Pine Grove is 'spot zoning' at its worst."

The association president continued:

"THE PEOPLE of Orinda have continually for many years expressed their desire to maintain a residential community by keeping outside businesses out, and had previously obtained agreement with this policy from the supervisors.

"Now, suddenly this policy is overruled, even after the people had just recently again expressed their overwhelming objection to PIE's rezoning application.

"Good planning, according to expert planners, takes into account the wishes of the residents, and plans are then made in accord with those wishes. This, the democratic way of our government, apparently means nothing to the Board of Supervisors."

ALEXANDER, IN his statement said:

"We all know that the Pacific Intermountain Express Company in seeking permission to build a beautiful administrative offices building at Pine Grove, will actually enhance the area and also help take some of the taxation load off the homeowners . . ."

DURING THE supervisorial consideration and action Tuesday, there was no comment on the matter from the audience.

In the audience were Mrs. Ritchie Ward, association secretary; C. E. Johnson, executive vice-president of PIE, and Bestor Robinson, a PIE attorney.

PIE purchased its Pine Grove parcel from East Bay Municipal Utility District in December, 1954 for $106,000.

Board Approval Given for Phone Dial Building

The Pacific Telephone and Telegraph Company has been granted approval by the Contra Costa County Board of Adjustment to build a $1,400,000 dial telephone building in Orinda.

The approval came last Wednesday at a board meeting.

The building, according to Howard Greenhalgh, telephone company Walnut Creek area manager would have construction begun next fall, and should be ready for use late in 1957.

Site for the center is on the west side of Santa Maria Way, across that road from the Pine Grove School.

DISCLOSURE OF approval follows by less than a month a PT&T application on behalf of their San Francisco office by the company's equipment planning engineer J. P. Reilly.

Attendant at the Board of Adjustment meeting were E. Harding of PT&T, and James Hupp, chairman of the planning committee of the Orinda Association.

Hupp, officially representing the association, expressed approval of the board's decision, with the reservation that PT&T should confer with the Orinda Association on architecture and landscaping.

"We would not object to this use of the land," said Hupp, "providing the building were of suitable design."

He went on to stipulate that the association felt the front of the building should be landscaped, rather than paved.

Harding replied that PT&T would be happy to cooperate with the association in any reasonable requests.

HUPP REPORTED that there had already been one meeting between PT&T and Orinda Association representatives.

The structure, according to the original application made by PT&T, would be one story high, 92 by 72 feet.

PT&T has reported that in the past 10 years the number of phones in the Orinda area has increased almost five-fold. The firm stated that at the end of 1945 there were 1149 telephones in the community; by 1950, 2800, and at present approximately 5100.

Development, Problems Aired At School Meet

School development in Orinda, the problem so closely related to the expectant population boom, was the main theme of the Orinda School Board's meeting last Monday at the Pine Grove school.

Dr. Keith Goldhammer, representative of the Odell Associates of Stanford University who have been surveying the educational prospects of this area, was the featured speaker.

Goldhammer gave a partial report of the current survey, which included statistics on child population, home location and others, and recommended two new school locations.

NEW SCHOOLS, he said, would be needed on the Inland Valley site and on the Wagner Ranch.

Goldhammer also reported that the saturation point for pupils in Orinda would be 6700, as compared to the 2239 students now enrolled.

The Board of Trustees, according to Superintendent Joseph L. Sheaff, concluded that it would require aid from the State School Building Fund for adequate development of schools in this area.

IN ADDITION to new schools, Sheaff reported, problems of child safety and redecoration have cropped up at the Sleepy Hollow and Pine Grove schools.

Among the business proceedings at the meeting was the appointment of Dr. Phillip Lambert as assistant superintendent in ing school year.

charge of instruction for the com-

Lambert, who is currently principal of the Pine Grove School, has taught in this area director of curriculum for anfor two years and has served as other three.

A DISCUSSION involving the current student entanglement with the Berkeley school system revealed that Charles Hemmings, deputy district attorney, has granted Berkeley's demand of extra payment from Orinda for educating 11 mid-point junior high students.

The dispute stemmed from Berkeley's request for some $94 yearly payment for educating students from the Berkeley Park Hills area in excess of what Orinda normally pays for each student.

Hemmings' decision was motivated by the fact that Berkeley pays $337.37 per junior high pupil yearly, while Orinda pays only $243. The students are officially Orinda's responsibility, but lack of transportation makes the Berkeley schools more convenient to them.

The Orinda Board is now waiting for the payment contract to be returned from Berkeley for signature.

Supermarket Surprised As Shopper Gives Birth

Supermarkets of late have shown a predeliction toward handling everything from wallpaper to walnuts.

The Lucky Market of 78 Moraga Highway, however, was completely unprepared for the package which was delivered on May 3.

The package was a 5 pound, 8 ounce girl, born in an alcove near the market manager's office to Mrs. Lelia Combs, of 309 El Toyonal.

Mrs. Combs had gone to the market with Mrs. George Hauer, 1 Vista Del Orinda, not expecting the baby for another month at least.

AFTER MRS. HAUER had left her to go to the Orinda library, Mrs. Combs sent her fellow customers scurrying in all directions for medical assistance when it was apparent the baby's birth was imminent.

Another shopper, fireman Roland Brault, who was with his 2 year old daughter Josette, emerged from the melee to render Mrs. Combs assistance. Brault has completed a course in First Aid for Fireman, which obviously is an all-inclusive schooling.

Upon hearing of her friend's plight, Mrs. Hauer hastened back from the library to aid in the birth.

Mother and daughter were then rushed across the street to the office of Dr. Robert C. McEligot.

THE INFANT GIRL has been named Tracey Twinx Combs, after Mrs. Hauer, whose first name is Twinx.

Both Tracey and her mother are doing well, if still somewhat surprised, in their Orinda home.

She is the Combs' third child, the other two being Chris, 10, and Frances 4.

The condition of the father, Prentiss C. Combs, has not been disclosed.

Combs, a free-lance fiction writer, was sitting home with the two children fretting over the plot of his latest story when he received word of the twist ending of his wife's saga.

"I wouldn't try to write this," was his comment. Combs has had a story published in the January 14 issue of the Saturday Evening Post.

A somewhat more somber note was adjacent to the Combs' joyous surprise package.

Mrs. Ceasar Candia, 86 Meadow View Road, another shopper in the market when the baby arrived, was one of the 20 or more people who volunteered to help. Mrs. Candia rushed from the market to an outside phone, where she intended to call for medical assistance.

THE BABY WAS born before the call could be put through, but in the confusion Mrs. Candia lost a wallet which contained between $33 and $35 in bills and about $1 in change, she reports, olus valuable papers.

The wallet, according to Mrs. Candia, was an old brown one.

Orinda Fire Inspector William Koch, who along with Inspector Wesley Jackson sped to the market in a first aid car as the Combs' baby was being born, has reported that the Fire Department is restituting $25 of the loss suffered by Mrs. Candia.

THE MONEY, he said, is derived from the newspaper fund of the department, the proceeds of which ordinarily go to some worthy charity.

The fund comprises the collection of old newspapers each month from Orinda residents. The papers are sold in lot and the money donated, except in unusual cases such as Mrs. Candia's, said Koch.

LARINDA TOASTMASTER CLUB received its charter at a dinner program at Las Palmas Hotel, Walnut Creek, last Friday night. The new Lafayette-Orinda unit was formed recently. Shown at the Charter Night ceremony are, left to right, Dave Baird, sergeant-at-arms; Forrest Bryant, administrative vice-president; Dale Callis, district governor, presenting the charter to George Sanko unit president; Bill Thaler, educational vice-president, and Ken Anderson, secretary. Canyon, Moraga School Elections Will Be Friday

Residents of Moraga and Canyon will file to the voting polls next Friday to select members of next years' School Boards.

The only contest, however, looms in Orinda, where four candidates will vie for the vacancy left by incumbent William J. Ross, who has not filed for candidacy.

Ross' three year Board term has expired.

Candidates for the trusteeship there are Edward J. Bisiar, F. R. Devin, Alfred W. Ferreira and F. B. Glasky.

Th elected candidate will join John A Saunders and Harry L. Rohrer on the Board next year.

Statements and photographs of the prospective trustees appear in today's Sun.

A different situtaion is apparent in Canyon, where incumbent John P. Shally is the sole candidate for the Board spot opened by the expiration of his term.

Shally seems certain to regain his position on the Board, alongside Mrs. Philonima Drake and Alan R. Crawford.

Voting polls for the Moraga and Canyon School Districts will be at the Moraga School and the Canyon School, respectively.

Both polls will be open from 7 a.m. to 7 p.m. on Friday.

Results in 'Value Days' Besides Buys -- Cleverness

Orinda Value Days, held last weekend under the sponsorship of the Orinda Chamber of Commerce, offered many special buys and services — and they also proved that there are — as one wiseacre put it — "too many smart people in the area."

Witness the "Scrambled Word" contest, in which readers of the Sun Shopping News and The Orinda Sun were asked to find "scrambled words" in the ads of participating stores, and to form the two "secret" sentences.

The idea was that the prize was to be a $20 cash order on any Orinda store participating in Orinda Value Days. It was announced that in case of ties, the award would be divided equally. Optimistically, it was felt that maybe two or three winners would emerge.

WHAT HAPPENED? There were 22 winners! So, in an effort to "divide" the $20, The Sun is sending $1 to each winner.

The "secret" sentences were: profitable, because quality is "Shopping in Orinda is fun and high, service is good and prices are reasonable; besides you save tires, gas, time and shoe leather. Orinda merchants strive to please you always."

Punctuation is what decided the issue in many cases. For instance it didn't matter if the statement read "tires, gas," or "gas, tires," since each word had a comma after it — but the word "time" was not followed by a comma, so "time" had to be the third in this group of three words, and the sentence ended, "time and shoe leather."

HERE ARE the winners of the "Scrambled Word" contest:

From Orinda — Mrs. C. D. Adams, Nancy Hunt, Mrs. C. O. Harding, S. S. Hunn, Mrs. R. A. Sodestrom, Mrs. James Denning, A. M. Arighi, Mrs. A. R. Anderson, Mrs. Neil R. Porter, Chambers D. Adams, Mrs. G. C. Trostle, Mrs. E. K. Scofield, Mrs. R. H. Hartsough, R. L. Christian, Mrs. D. L. Watkins, Mrs. Clinton Easterbrook, Mrs. David M. Saenger, Robert F. Davis, Walter W. Edmonds, Mrs. Paul Devlin, Mrs. Paul M. Scheffer.

From Walnut Creek — Beverly R. Maimoni.

WINNERS in the Cinderella Contest at Al Baer's Village Shoe Shop were C. D. Adams and Douglas C. Adie, both of Orinda.

They came closest to guessing the sizes of two 75 year old shoes, so each wins a pair of Keds or Kedettes. The actual sizes were 4½ and 8½ — Adams guesed 4½ and 9, Adie guessed 4½ and 8.

PRIZE WINNERS at Sprouse-Reitz were:

Mrs. Margaret Mitchell, 20-piece set of dishes; Mrs. James Denning, bath mat set; Mrs. Ella Halbert, 19-piece luncheon set.

Library Fund Gets Backing From Clubs

The Orinda Library Building Fund announced yesterday that in addition to the 16 official endorsements of its aims and purposes announced last week, the been received:

Lions Club, Orinda Chamber of Commerce, Rotary Club, Lafayette-Orinda Junior Chamber of Commerce, Girl Scouts, Orinda Art Center, Lake Orinda Highlands, Los Amigos Home Owners, Rheem Highlands, Sleepy Hollow Recreational Association.

Perc S. Brown, general chairman, also announced appointment of the following co-chairmen for solicitation of Orinda business: Robert E. Gemetti, Orinda Crossroads; Walter Friberg, Orinda Village.

Brown also stated that Marvin C. Baker, certified public accountant, had volunteered to help and had been asked to audit the Orinda Library Building Fund receipts.

Canyon Postal Dispute Aired

Further correspondence regarding discontinuation of the Canyon Post Office has been received by Mrs. Paul Foster, president of the Canyon Community Club.

A letter from Congressman John F. Baldwin enclosed a reply he had received from Verne Scoggins, Regional Director, San Francisco Post Office, in answer to his request that the Canyon post office be continued.

Scoggins wrote, "The possibility of a change in status of the Canyon Post Office has been studied as a part of the inevstigation to determine whether delivery service can be established at the Moraga Post Office. We have not received the final report and recommendations on the Moraga area investigation. We will advise you further when the report is received."

Robert H. Marshall, District Operations Manager, Post Office Department, Sacramento, also wrote to Mrs. Foster telling her Assistant Postmaster General Eugene J. Lyons had referred her letter to his office and his answer was in the same vein as that above.

He added, however, that "it is not known at this time whether discontinuance of the Canyon office will be recommended."

Ma Linnet Finds Telephone Home No Bed of Straws

The public telephone at Ned de Laveaga's Orinda Crossroads gas station is providing a boon to nature.

At least, that's the opinion of the mother Linnet who is currently incubating four linnet eggs in phone.

The linnet is a small native bird which can fit very snugly into such a homestead.

The only complaints about the site seem to come from the Aves corner. Ma Linnet has expressed in no uncertain (though sometimes unintelligible) terms that lady in waiting should have access to the phone at all times.

All those commuters with car troubles and folk with a need to call home have caused her no end of exasperation.

And as for that clanging ring which is constantly disturbing the serenity of her home . . . gosh! You'd think that humans would have some respect for maternal dignity.

Couples Play Bridge At Brunk Orinda Home

Making up three tables of bridge recently at the home of Mr. and Mrs. W. O. Brunk of California Avenue were the Warner Hughes, who took first honors for the evening, the W. C. Geandrots, who were low, the Doug Raakas, the Jack Saunders' and the Jack Gunns.

Pilgrim Fellowship Cake Sale Tomorrow

"Orindans can have their cake and eat it, too," at the Cake Sale at the Orinda Hardware store. The Orinda Pilgrim Fellowship, youth group at the Orinda Community Church, will sell cakes from 10 a.m. on.

According to Jerry Moriarty, chairman, all the cakes will be homemade "and delicious."

Rain? It's Only Spring Showers

Stars might have fallen on Alabama, but it was nothing but plain old rain that deluged from the skies over Orinda this week.

The Spring torrents left a total of 1.32 inches of moisture during the week, which brought the season's total (since July 1) to 44.90 inches.

Wettest and coldest days were recorded on May 4 and 6, respectively. .51 inches of rain fell on the 4th, while the thermometer crept to only 61 on the 6th.

The weather chart follows:

	High	Low
May 3	68	40
May 4	62	52
May 5	62	47
May 6	61	48
May 7	64	48
May 8	70	40
May 9	60	48

School Board Election Friday

Six candidates will vie for two Orinda School District Board of Trustees positions at the polls next Friday.

With neither incumbent having filed for re-election, two new members of the Board will join Mrs. Catharine Schwarck, Nathan G. Gray, and Karl Schevill as trustees next year.

SEE PAGE 4 FOR CANDIDATES STATEMENTS

Voters will chose from among Herbert A. Waterman, Louis B. Ambler Jr., William Koch, Charles d'A. Hunt and Carl Meurk. whose photographs and personal statements appear elsewhere in this edition of The Sun.

Voting polls will be located at both the Orinda and Glorietta schools, and will be open from 7 a.m. to 7 p.m.

Moms Meet To End Year

To emphasize the importance of parents help in combatting child molestation the Mothers Club has elected Bela Clark, Chief of the Juvenile Control Bureau of the Sheriff's office, to speak before the general membership at the Tuesday meeting to be held in the Orinda School auditorium.

Clark will discuss the importance of parental responsibility which can help to eliminate incidents of molestation in Orinda.

It has been deemed important to contact the mothers at such a time, prior to summer vacation. longer days, and general laxity of rules for children's returning home, etc.

Following the address and a question and answer period, the officers of the Mothers Club for the next school term will be installed.

Refreshments will be served by the Del Rey Mothers instead of the outgoing board members as previously announced. Musical entertainment will be provided by one of the Del Rey classes.

Since this is the last meeting of the Orinda Mothers Club for the current school term, and because the subject of the guest speaker is of utmost importance to all parents, a large turnout is anticipated for the meeting, scheduled to start at 1:30 p.m. with the address by Clark.

Honors Flow To Art Siler

Acalanes High School alumnus Arthur Siler has achieved another honor at Harvard University.

The Rhodes scholar and Harvard track star, of 204 Moraga Highway, was named recipient of the Francis H. Burr Scholarship for the senior "who combines as nearly as possible Burr's remarkable qualities of character, leadership, scholarship and athletic ability," according to a Harvard press release.

Siler, who will study under the Rhodes Scholarship at Oxford next year, majors in history and is a member of Phi Beta Kappa.

Snow Takes Huge Striper

Striped bass fishing can be a relaxing and enjoyable way to spend a few leisure hours.

This was the thought that prompted Orindan Jack Snow and his friend Jack Amata to troll the deep waters between Eckley and Port Costa recently.

Snow did spend just two and one-half hours indulging in the sport, but 40 minutes of that time was spent in doing battle with the biggest striper reportedly taken on sports tackle this year.

The handsome finster hit while Snow was trolling and went to 55 pounds.

Bob Norquist, Berkeley and Orinda taxidermist, is doing the mounting so that Snow, with justifiable pride, may display proof of his fishing prowess in the future.

Nordquist states that the striper had a girth of 23½ inches and measured 48½ inches in length.

International Program Held By Service Unit

An International Services Activity program was presented at the noon Wednesday meeting of the Orinda Rotary at the Willows by Harold Bryant, program chairman.

Three speakers from the International House appeared before the service organiaztion. They were Ernst Pakuscher, West Berlin; Robin Sharwood, Australia; and Guy Jarach of France.

Next meeting of the Rotary will be at the Orinda Country Club, noon Wednesday. The Willows will be closed for several weeks according to Clarence Betz, publicity chairman.

Tea Planned by Demos

The Democratic Women of Orinda will be hostesses next Wednesday at their spring membership tea.

The affair, which climaxes an active season for the local group, will be held in the home and gardens of Mrs. Bert Corona, 1 Scenic Court from 2 to 4 p.m.

State Senator George Miller Jr., one of the guests tof honor, will speak briefly on "The Sacramento Story — 1956 Edition."

Also featured on the program will be Barbara Tabler, Berkeley folk singer, whose songs and parodies were a high point at the group's tea last spring.

Other guests will be leaders from Bay Area Democratic clubs according to Mrs. Paul Weber, chairman of the event.

Assisting Mrs. Weber in the planning are Mrs. T. J. Titmus, program chairman, and Mesdames Sid Kroff, Eugene Peterson, and Ralph Reid.

This will be the second spring tea for the Orinda club, which was organized a year and a half ago. All Democratic women in the Orinda-Moraga area are invited to attend, according to Mrs. Charles Hanks, president.

Mrs. James Benney is membership chairman.

Junior Women To Hear Candidates

The Orinda Junior Women will have a candidates' night at their regular business meeting Monday at the Glorietta School in Orinda.

The Juniors and their guests will have a chance to hear all candidates for the coming local school board elections and the supervisorial candidates for the Second District, Contra Costa County.

Mrs. William Kauffman, in charge of arrangements, reports that three-minute speeches by candidates Louis Ambler, Charles Hunt, William Koch, Carl Meurk, Ernest Starkman and H. A. Waterman will begin at 8:30 p.m..

A question and answer period will follow.

Mrs. Clinton Scarich reports that all supervisorial candidates have accepted invitations to make five minute speeches. Running for the position are: Harold E. Mutnick, David A. Comstock, Mrs. Eunice Kohler, Edward F. Larmer, Mel Nielsen, Brig. Gen. C. R. Wallace and William R. Zion. Questions and answers will be followed by coffee and refreshments. A large turnout is expected for a closer view of each candidate at the non-partisan gathering.

Long-Awaited Spring Art Show Underway on Tuesday

Area artists and merchants have been getting acquainted this week while completing plans for the Diablo Spring Art Show.

Exhibits will be in the store windows Tuesday through Sunday and "Art in Action" will begin next Friday in Walnut Creek.

Some fifty entrants will do "art in action" and paintings will be displayed on fifty outdoor panels. One hundred fifty store-keepers are playing host to the artists and will display arts and crafts in their windows. There will be more than 500 participants.

BESIDES PAINTINGS, ceramics, jewelry, weaving and such crafts, there will be a lapidary exhibit by the Contra Costa Gem and Mineral Society.

At another location Warren Weldon of Concord, will show how glass is blown.

Bob Winston, instructor at the California College of Arts and Crafts, a familiar figure in Diablo art circles and Donald Yuen of Hilo, Hawaii, one of his most able students, will be about town, demonstrating the process of silver casting.

Hugo P. Rudinger of Berkeley will show bromoil technique, one of the interesting facets of photography, and the almost forgotten art of china painting will be demonstrated by Mrs. Hazel Joyslen, Pleasant Hill.

Mrs. Jennie Anderson and Mrs. Gertrude Phipps of Concord, will make collages; Mrs. Patty Fisher, Pleasant Hill, will do copper enameling; Vivian Cook, Lafayette, will paint in tempera, and Mrs. Gertrude Albright, Walnut Creek, will do textile painting.

MISS MARGARET Miller, Walnut Creek, will do silk screening and Mrs. Florence Gordon, Walnut Creek, will make block prints.

Among the more familiar arts, there will be weaving demonstrations at two locations by Mrs. Alma Phillips and Mrs. Claire Pfeiffer of Walnut Creek, members of the Diablo Weavers.

At the potter's wheel, Mrs. Eleanor Condon, Walnut Creek, and Mrs. Ruth East, Pleasant Hill, will demonstrate.

The very popular craft of ceramic glazing will be done by Mrs. Glorya Gomez of Walnut Creek. Mrs. Pauline Anderson and Mr. John W. Laurence, Walnut Creek, will do flower arrangements. Mrs. Daisy Bellingham, Alamo, will also show a spring arrangement of flowers.

Many painters will create scenes in oil, water colors, gouache and casein. Some of those you will see at work are Hiram Meulendyke of Walnut Creek; Mrs. Barbara Gilson, Gregory Gardens; Mrs. Jessie Thomason, Martinez; Mrs. Susanna Olson and Mrs. Betty Pleshe, Concord; Mrs. Doris Whipple and Mrs. Connie Helm, Danville and Mrs. Pearl Wille, Lafayette.

AMONG THE students participating in the activities are Arlene Risi, Walnut Creek student at Sacred Heart High School, Oakland; Sylvia Cosand, Pleasant Hill High; Gene Kupper and Judi Jackson, Las Lomas High; and Marilyn Becker, Donald and Gerry Yuen, College of Arts and Crafts.

Visitors will be able to have their portraits made. For children's portraits, Katy Madsen, Walnut Creek and Gerry Wenker Yuen, Alamo, will set up their easels in separate locations.

Other portrait artists who have won popularity in the area and will be on hand are Mrs. Emily Dasallos, Mrs. Yvonne Herbert Mrs. Hazel Elling and Mrs. Betty Beede of Concord, Leonard Bardsley of Pittsburg and Miss Christine Lee, Oakland, talented daughter of Jade Fon.

Some twenty-five groups are participating among which are four high schools, eight adult education groups, Parks Air Force Base, St. Mary's College and the California College of Arts and Crafts, Contra Costa Camera Club, Contra Costa Gem and Mineral Society, Diablo Art Association.

Also Contra Costa Junior College, Susanna Olson's Studio, Concord; Sayer School of Wood Carving, Walnut Creek; Students of Glorya's, Pleasant Hill; Valley Art Center, Lafayette; Walnut Creek Recreation Center and Contra Costa Juvenile Hall, Martinez.

At Mrs. Coralyn Dodson's Adobe Shop Art Center, there will be a demonstration by two pupils of the new Walnut Creek school, at Ygnacio and Walnut Boulevard.

CHARLYN Robinson and Michael Rheem will make mosaic tiles on Saturday afternoon.

Other children who will lend their talents are thirty sixth grade girls from the Vallecito School, Lafayette, Scout Troop 17, who will dance at 2 p.m. Saturday in the Recreation Center. These girls, under the direction of Mrs. Alma Jacobson and Mrs. J. Norton, Lafayette, will dance an authentic Hawaiian stick dance (Nani Wale Eka Mahina).

Mrs. Jacobson is well known as the very able director of the Artists' Market on Mt. Diablo Boulevard, Lafayette.

THE HAWAIIAN dance is one feature in a program of planned children's entertainment to be given on Saturday afternoon.

Mrs. Mary McNally, Pleasant Hill and Mrs. Ruth Wallis, Walnut Creek recreation director, will present "When I Grow Up," a display of art done by children in the grade schools of the area.

Other crafts by the children will also be shown, and the adult craft classes held at the center will also have work on display.

The Diablo Council of Square Dance and Folk Dance will perform in their colorful costumes, Sunday afternoon. The setting will be the green at the Recreation Center.

During an intermission the awards for the best painting of Mt. Diablo, done for the Walnut Creek Realty Board's contest, will be given.

On Saturday night the Jaycees wil sponsor the Artists' and Models Costume Ball. Many prizes ment will be offered during intermission.

THE ENTIRE program is as follows:

Tuesday, Wednesday and Thursday — displays of arts and crafts — 150 store windows in Walnut will be awarded and entertain- Creek.

Next Friday — displays of arts and crafts — 150 store windows; 10 a.m. to 9 p.m. — Art in Action — all over town; 10 a.m. to 9 p.m. — outdoor panel displays — Broadway strip.

Proposed County Expenses Indicate High Tax Rate

Members of the County Taxpayers' Association announced recently that the taxpayers face the prospect of a higher tax rate than last year, if all of the proposed major expenditures are approved by the County Board of Supervisors.

Proposed expenditures include a salary increase for most classifications of county employment; a substantial increase in the county's payments to the employees' retirement fund; a possible new ward at the county hospital and the construction of a new county administration building at Pittsburg.

Also considered are the possible acquisition of the proposed Briones county park; the development of new buildings at the county airport; the possible acquisition of a new county prison farm; the possible construction of a new maximum security county jail; the acquisition of a new site for and the construction of a Boys' Rehabilitation Camp; and the acquisition of a site and development of a principal county corporation yard.

Thees are in addition to the known increases, according to Bruce Howard, president of the county taxpayers' association.

Known increases have resulted from the authorization of approximately 120 new county employees this year. and the policy of paying overtime instead of time off to the county employees, Howard added.

STOLEN CARS

Statistics show that in a large percentage of car thefts, the owner had left the keys to his car in the ignition switch.

Christner Graduates From Army Course

Army Private Wilbur G. Christner, 19, son of Daniel L. Christ- 172 Moraga Highway, Orinda, recently was graduated from the construction machine operator's course at Fort Leonard Wood, Mo.

He was trained to operate tractor-scrapers and road graders. Christner entered the Army in October, 1955, and completed basic training at Fort Ord. He is a 1955 graduate of Acalanes High School.

Letter-Writer Not Vernon Patterson

Regarding a letter on the district attorney's office in the "Under the Sun" column April 20, The Sun learned this week that the signer, "P"—described in the column as "probably an attorney"—is not Vernon Patterson, prominent Lafayette attorney.

The letter charged that the district attorney's office "is the bigbest public fiasco in Contra Costa County" and declared, "Francis Collins has part time deputies who devote full time to private law practice."

Acalanes District Trustee Election is Next Friday

Acalanes High School District voters will go to the polls next Friday to pick two out of three candidates for the position of trustee.

The candidates are incumbent Ralph C. Hall, Patrick Conway, and Will C. Hall.

Polling hours are 7 a.m. to 7 p.m., in Acalanes High School and in many of the elementary schools in the district.

Printed below are statements of the candidates, with the exception of Ralph Hall, who is vacationing in Hawaii.

Will C. Hall

I and my wife, Jean, have lived at 1363 Reliez Valley Road since 1940.

I have been actively interested in the development of this community for better living and have served it in many capacities.

I WAS committee chairman of Cub Pack 78 in 1949, chairman of Cub Pack 200 in 1951, scoutmaster of Troop 210 in 1953-54, and have been an active member of the parents' clubs and PTA's of the schools where my children have attended.

Mrs. Hall served as president of Montecito PTA in 1953-54.

We have three children, Buck, 16, Tom, 14, both attending Acalanes High School, and Susan, 13, who is in the seventh grade in Stanley School.

I am president and general manager of Pacific Coast Engineering Company, Alameda. I

WILL C. HALL

graduated in 1934 from the University of California in Civil Engineering.

I FEEL that I will be able to be of service because of my business experience, much of which has been administrative.

I feel that more people must be concerned and informed about the problems of the school and should serve where they can do the most good. Since I have three children of high school age and will continue as such for some time, that their problems are my problems.

Patrick Conway

I have been a taxpayer in this community since 1948, coming from Massachusetts, where I retired after serving 30 years on the police force.

I am a veteran of World War I and a member of American Legion Post 5.

At present I am serving as special deputy sheriff for Contra Costa County.

As a former police officer, I have always been interested in children, and their problems, and have worked on juvenile delinquency cases. I would like to serve on the Acalanes High School Board of Trustees.

I know our high school is above

PATRICK CONWAY

average and our teachers the best. However the teachers are placed under strain owing to the rapid growth of our community. The overflow of students is a serious problem we have to face.

We must prevent over crowded classrooms by careful long-range financial planning, and see to it that our teachers' salaries are adequate if we want the best for our children, and expect them to be trained as good citizens. My daughter is a local student.

If I am elected to the Acalanes High School District board, I will serve you to the best of my ability, at the same time protecting the taxpayers' dollar.

RALPH C. HALL

Jr. Horse Show Will Be Staged At Rheem Center

Sponsored by the Rheem Center Merchants Association, Junior Horseshow and Rodeo will be held at Rheem Center on Saturday, May 19.

Further information can be obtained by phoning DR 6-5557 from 9 a.m. to 5 p.m.

Taxpayers Hit Special Districts

The Board of Directors of the Contra Costa County Taxpayers' Association assigned to Chairman N. C. Ross and the Planning Committee a study of lack of proper planning for public services in newly developing areas of the county.

Many small special districts are created only to meet the immediate needs, without thought to possible long range consequences, according to the board of directors of the association.

The directors add that they are concerned at the provision of governmental services on the basis of expediency, instead of sound long range planning, as this often leads to taxpayers paying far more than is necessary for such services.

Safety Council Urges Several New Measures

The Traffic Section of the Contra Costa Safety Council met at the Pleasant Hill High School May 2 under Section Chairman, Basil Andrews. The following resolutions were passed to encourage the enforcement of safety practices.

1. Urge the Groom Moyer and the Barrett Construction Companies to complete Moyers Road as soon as possible so that area residents will use it rather than the intersection of Hilltop Road and Highway 40. There 27 people were injured last year and 4 have been injured already this year at this crossing near San Pablo.

2. Commend Board of Supervisors for enacting Ordinance 919 making it unlawful for an intoxicated person to be in or about an automobile. This law has been very effective as an aid in controlling drunken driving.

3. Commend Captain Magill, commanding officer, Contra Costa County Highway Patrol for adopting intoxi-meters to provide more effective enforcement of drunk driving laws locally.

4. Request the County Public Works Department to investigate the intersection of Reliez Valley Road and Alhambra Valley Road for possible installation of stop signs.

5. Recommend that each community conduct Bicycle Safety Programs with safety inspections and skill tests.

Students Speak At Beta Nu Meet

Five Lafayette women were in attendance at a recent dinner meeting of the Beta Nu chapter of Delta Kappa Gamma, national honor society for women in education.

Alice McMasters, Mrs. Ruth Anderson, Jane Patoria, Mrs. Graylis Vossler and Mrs. Margaret Johnson heard featured informal talks by three East Contra Costa Junior College members of Future Teachers of America.

The students spoke on why they had chosen teaching as a profession.

Sadie Roberts, Beta Nu president, also introduced the newly-elected officers to the group.

Annual Party For Hospital Is Tomorrow Night

Tomorrow night is the night for "Swing Easy," the annual party sponsored by Santa Maria Branch, Junior Guild of Providence Hospital, announces Mrs. Louis Fekete of Lafayette.

As chairman and co-chairman of the event, Mrs. Adolph Markstein and Mrs. C. Lehrmann, both of Lafayette, promise an enjoyable evening of dining and dancing at the Danville Hotel.

They are being assisted by Mrs. William Veale of Orinda, Mrs. John T. Hever of Danville and Mrs. Thomas Boler of Lafayette.

A lucky couple will be awarded a weekend at El Rancho Navarro in Philo, California, sometime during the evening. This vacation was donated by Mr. and Mrs. Joseph Selby of San Francisco.

Among those planning pre-dinner cocktail parties are Dr. and Mrs. I. C. Bornholdt of Walnut Creek, Mr. and Mrs. Louis Fekete of Lafayette, Mr. and Mrs. William Robinson of Orinda, the John O'Briens of Saranap, the Richard Ringwoods of Walnut Creek, the Charles B. Neumans, John Larsens and R. H. Pulfords of Lafayette.

Proceeds from the dance will go to the Providence Hospital clinic.

St. Mary's To Hold Press Meet

Herman Silverman, publisher of The Sun, will join newspapermen from the Oakland Tribune and other publications as guest speaker at St. Mary's College's 24th annual Western Catholic High School Press Convention tomorrow at the college.

200 delegates are expected to long and time-consuming automosessions and seminars during the day.

Convention highlights will include a scholarship examination for high school seniors, and awarding of trophies for individual writing, photography and general journalistic excellence.

Condon, Munns Named to Head Koch Campaign

Russell M. Koch, Democratic candidate for the Assembly from the 10th District, this week named Robert L. Condon and Edward N. Munns co-chairmen of the Koch for Assembly Campaign Committee.

Condon, a Martinez attorney and former Congressman from the 6th District, said:

"Russ Koch is an able, conscientious young man. Russ is the only Democrat running for the State Legislature from the 10th Assembly District, and we in Contra Costa County have a history of electing Democrats. I hope that history will continue because I believe that the Democratic Party is a party of principle and not of men. The Democratic Party stands for those principles most of the people in our district believe in."

Munns, candidate for the 10th Assembly post in 1954, and who resides in Concord, stated:

"I am wholeheartedly behind Russ Koch for the Assembly. Koch stands for all that is for the best interest of the people of the district and state. He is an outstanding liberal, a believer in rights of minorities, and he knows thoroughly the many problems which affect the welfare of the community."

Condon and Munns stated that area chairmenship for the election of Koch will be announced shortly.

'Big Name' Entertainer Will Come to September Festival

A big name from the "film capital" will headline the coming annual Walnut Festival to be held September 20-23.

Th Walnut Festival Association voted unanimously on Monday to make the 1956 event the most "star studded" show of its kind ever to be held in the Contra Costa area.

Rowland Barrett is president of the association.

"In the past," said Barrett, "we have relied with little success upon Bay Area entertainment to draw and attract people from our neighboring communities to our annual Walnut Festival celebration.

"We feel certain this year that our decision to import a big name with good supporting acts will substantially increase our paid attendance."

"A few of the stars being considered include Phil Harris, Gordon McRae, Mills Brothers, Bob Crosby, Edgar Bergen, Jimmie Durante, Rosemary Cloonie, Freddy Martin, Lawrence Welk and others who will become available as Festival time approaches," Barrett stated.

In anticipation of the problems in bringing a "big name" to the Walnut Festival plans were completed this week to convert the baseball diamond within the Festival grounds into a huge open-air theater.

A stage will be erected over homeplate with the infield used as an ampitheater of reserved seats.

Crowning the Walnut Festival Queen and choosing her attendants will be a part of the big show.

Supporting acts will make it possible to put on a well rounded, interesting show for a two-hour period.

School Board Candidates Voice Views

Viewpoints Told in Race For Orinda School Board

The people of Orinda will elect two members of their five-member Orinda School Board next Friday.

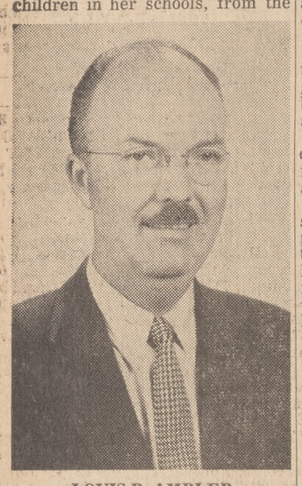
In order to help the voters get better acquainted with the candidates, The Sun asked each candidate for a statement of introduction and intention.

The candidates' statements follow.

Louis B. Ambler

My interest in Orinda's schools, coupled with my training and experience, dictate that I now be ready and willing to accept the people's trust and serve our community as a member of the Orinda Elementary School Board.

Throughout our nearly eleven years of residence and home ownership in Orinda we have had children in her schools, from the



LOUIS B. AMBLER

days of one school and 300 pupils to five schools and 2300 pupils, and we have taken active participating interest in providing her fine educational facilities and, in doing so, obtaining the full value of our tax dollar.

AS A landscape architect and site planner by profession, I have, for fifteen years, been engaged in the development activities of a branch of the federal housing program, where I am daily confronted with similar problems of rapidly expanding communities.

In directing these activities I must be constantly aware of the will of the people, and must analyze with greatest care the social, economic and planning factors involved in site selection, administering construction contracts, architectural design, engineering problems, relationships between public bodies, utility services and the community.

I MUST FOLLOW each projected plan to its completion with due regard for fair business practice and economy.

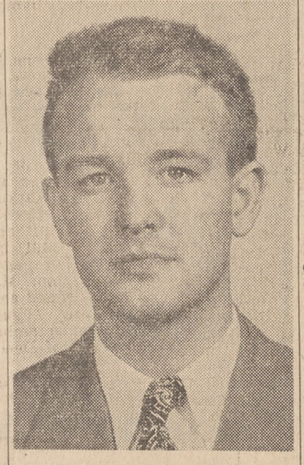
Prior to entering the federal service, I spent five years as a professor of Landscape Architecture at the Alabama Polytechnic Institute, giving instruction in the many phases of my professional field, thereby obtaining first hand knowledge of educational principles and curriculum development.

This experience will aid in evaluating and discussing intelligently policies, procedures and modern teaching philosophies set forth by teachers and administrators.

I am pledged to serve my Orinda friends and neighbors in all areas of the district and to support a teaching program and physical plant which will contribute effectively toward the greatest possible student achievement.

Charles d'A. Hunt

As a candidate for the position of Trustee of the Orinda Elementary School District, an observer of the activities of the Board of Trustees, and a parent in the community of Orinda, I would like to emphasize what seems to be the most important problem which



CHARLES d'A. HUNT

the School Board faces during the next few years.

THAT PROBLEM concerns the establishment of a satisfactory relationship between the parents in Orinda, the School Board and the school and its administrators.

Although there is effective linkage between the two elements of this triangle, namely, the School Board and the school and its administrators, relations between the parents and these two elements are by no means satisfactory at present.

WITHOUT A MARKED improvement in this situation, the School Board cannot hope to operate effectively in this period of inevitable and continuing growth of the Orinda School District.

Problems related to planning for this growth and to evaluation of and establishing policies for school functions and curriculum are also of dominant importance to the School Board.

But it is my conviction that the Board must expend a great deal of effort on this problem of establishing satisfactory relations between the community and the schools before appropriate and effective solutions can be worked out to these latter problems.

AS A TRUSTEE of the Orinda Elementary School District I would expect to concentrate on the question of how best to obtain the cooperation and contribution of the parents and to make the school board responsive to the contributions of these parents.

I am a graduate of Yale University in chemical engineering, and presently am vice president and director of research of the Temescal Metallurgical Corporation of Richmond.

I have been a resident of Orinda for the past five years and am the father of two children.

William Koch

My family and I have lived in Orinda a little over 14 years. We have three children, two of them graduates of the Orinda Elementary and Acalanes High Schools. Our youngest son, Jerry, is a third grader in the Orinda School, and our oldest granddaughter is a first graderer in Sleepy Hollow.

PRIOR to the establishment of

WILLIAM KOCH

a paid fire department in Orinda, I served as a volunteer fireman for two years, and became a paid member in 1946.

Since that time I have participated in many community activities.

For the last eight years, I have served as Boy Scout counselor for all three units.

FOR THE LAST three years I served as chairman of the March of Dimes and many people in Orinda, as well as other communities, acquired Red Cross first aid cards by attending one of the many courses I have been privileged to teach.

There are many other community projects in which I participated but I believe most of you know them, as you know of me.

AS FOR MY policy as a candidate for the school board, I can only say this: In the event the people of Orinda should put their trust in me and elect me, I have but one aim: to serve honestly and sincerely.

Carl R. Meurk

In the 6½ years I have lived in Orinda I have been very interested in watching the continual growth of the elementary school system, and as a result I am aware of the importance a school board position is to the community welfare.

I am a graduate engineer and hold a California State Mechani-

CARL R. MEURK

cal Engineer's Certificate. I have practiced engineering for some years and am now involved in price and contract negotiation work.

MY ACTIVITIES in community affairs have included president and director of the Glorietta Improvement Association and committeeman for the local Cub Scout Pack. I have two children in the Glorietta School and another sitting on their doorstep.

I look upon the operation of a school district as a vital community business enterprise with the school board serving as its directors and the education of all our children as its most important investment.

I BELIEVE the proper and efficient operation of this business demands (1) Open and public discussion of board problems, with the highest ethical standards; (2) Foresight in maintaining an up-to-date policy, particularly in promoting attractive salaries and conditions for teachers, and continued employment of able school administrators; (3) Provision for keeping the community and civic organizations informed of school needs in relation to community growth and, (4) A variety of training and knowledge among board members, allowing each person to lend his special talent toward the considered action of the board.

WITH MY TRAINING and experience as an engineer, and my occupation involving only business negotiations, I feel sure that I could ably serve the board, not only in matters of educational policy, but particularly in its pressing building program and its constant business dealings.

Ernest Starkman

Orinda is fortunate in having a grammar school system of which it can be proud. The schools are almost keepoing pace with the community despite a doubling of growth in the past five years.

Compared to similar communities, this is a credit to the foresight and planning of the present Board of Trustees. Of additional credit is the ability of the Orinda schools to attract the very best of teacher talent in an era of extreme teacher shortage.

THIS IS NOT to imply that the school board has never made mistakes, nor made decisions contrary to popular opinion.

But it is important that the actions taken have been carefully considered and have had the best

ERNEST STARKMAN

interests of the Orinda schools as a first consideration.

It is to be hoped that the future Board members are so guided.

OUR SCHOOLS face continuing problems similar to those already experienced. Enrollments are expected to approximately double in the next five years. Building construction and capital expenditures must keep pace.

There will be an increasing complexity of staff, scheduling and subject matter. The school system needs people on the Board of Trustees who are informed on these items.

At present I am teaching mechanical engineering at the University of California. I have had, in addition, seven years of practical experience in industry since finishing my formal education. Mechanical engineering has provided me with a thorough knowledge of materials and of construction techniques, as well as the financing of construction.

TEACHING HAS shown me what school children need in order to prepare for college. During the last five years, while regularly and voluntarily attending the monthly School Board meetings, I have helped the School Board in areas where my background was appropriate, even though on occasion I found myself in disagreement with some of the final decisions.

The coming School Board election will leave three members on the board whose respective lengths of office will be five years, one year, and two months. A prerequisite to making wise decisions in the future is a knowledge of events leading to past decisions, both wise and unwise.

My consistent attendance at School Board meetings for over five years should therefore be of value to the school system in addition to being evidence of my long time interest in Orinda's school affairs.

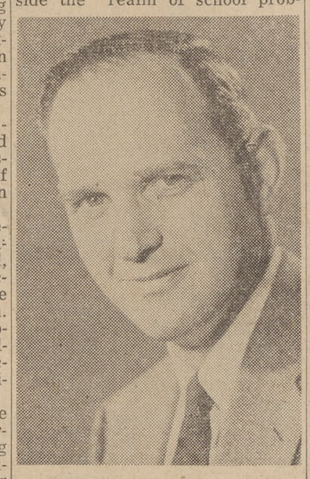
H. A. Waterman

My purpose in seeking election to the Orinda School Board is to maintain high standards of edution in our schools while meeting the challenge of the critical expansion period ahead.

The number of pupils will increase over 50 per cent in the next four years. New schools and additions to old must be planned and built, so that under no circumstances will there be a return to double sessions.

THE GREATEST value must be obtained for every dollar spent, and qualified teachers must be attracted and retained. Financing must be in a manner most advantageous to the taxpayers of Orinda.

The board must not become embroiled in controversies outside the realm of school prob-



HERBERT A. WATERMAN

lems. Proper attention must be given to safety condition adjacent to schools.

I AM AN attorney, 38 years old, and have resided for five years at 85 Meadowview Road with my wife Betty and children, Melanie, Cecily (who attends Glorietta School) and Billy. After attending public schools in San Francisco, I was graduated from University of California in 1940, a member of Phi Beta Kappa.

I commanded an artillery battery in Europe. My legal education was received at Harvard Law School and University of California (Berkeley).

I HAVE BEEN practicing law since 1948 in San Francisco and Oakland, and am on the legal staff of Southern Pacific Co., specializing in state and Federal tax matters, corporate finance and trial of damage suits.

I am a member of the state and Federal Bars and the Bar of the U.S. Supreme Court, and local improvement groups.

I FEEL that my daily contact with the legal and financial problems caused by population and growth will be an asset to the board and the people of Orinda.

Orindans desiring amplification of my views may call be at CLifford 4-5684.

GOP Women Hear Visitors

Baord members of the Orinda Repubican Women's Cub will be hostesses at a luncheon at the home of Mrs. Lindsey Spight, 135 Orinda Highway, next Thursday following the monthly meeting.

Mrs. Donald Krotz, club president, urges all Republican men and women in the area to attend the meeting and luncheon, where they will have an opportunity to meet the guest speakers.

Charge for the luncheon will be $1 and reservations are not necessary Mrs. George Cook is in charge of arrangements.

"Practical Politics" will be the keynote of the meeting's panel discussion, which will be held at the 10 a.m. meeting at the Community Church Fellowship Hall.

Members of the panel will be Tom Caldecott, chairman of the State Republican Central Committee; Mrs. Gladys Penland, state president of the California Federation of Republican Women; Norman Jackans, University of California student and chairman of the New Voter Program for the Young Republicans of California, and Harmon Howard, member of the Contra Costa County Republican Central Committee and campaign chairman for Congressman John F. Baldwin.

According to Mrs. James Irwin, program chairman, the panel will discuss Republican Convention plans and procedures and will explain how different Republican groups fit into various campaigns. A question and answer period will follow the discussion.

The customary Kaffee Klatch will be held at 9:30 a.m., preceding the meeting. Mrs. Madison Fowler is hostess.

How Standard invested its money last year to meet your growing oil needs

Exploration for new oil sources cost $134 million. Standard Oil Company of California produced oil and gas from more than 8600 wells in the U.S., Canada and South America to supply your petroleum needs.
New Refinery Units to make higher octane gasoline took a big part of the $30 million we spent for plant improvement.
Petrochemicals for plastics and other new products; fertilizers and sprays for bigger crops, took a $20 million investment.
Research and technical services cost nearly $13 million. One result was a technique which promises to greatly increase yields from oil wells, helping conserve U.S. resources.
Transportation Facilities to bring our products from oil field to you were a $10 million item.
New and Modernized Service Stations from Alaska to Mexico cost $16 million, made Standard products more convenient for you.

STANDARD IMPROVED its ability to serve you last year by investing $347 million for new production and distribution facilities and exploration. The rest of our $1⅓ billion income was spent on such items as wages and benefits for our 36,369 employees, supplies from more than 10,000 U.S. firms and crude oil from independent producers. We paid a $107 million tax bill, and our 119,793 stockholders received 7¢ of each dollar we took in as a return on their investment in the Company.

PAINTINGS AND FOOD will be on the agenda of the Orinda Art Center's garden luncheon at 12:30 p.m. next Wednesday at the home of T. M. Harrer, "Seven Oaks Circle" on Sally Ann Road. Mrs. Spencer Archer, one of the sponsors of the Orinda Art Center, helps youthful artists Marcia Montgomery (center) and Nancy Peacock arrange paintings which will be among children's paintings to be displayed. The affair, at which bridge, canasta and swimming will be enjoyed, will take the place of the annual Exhibit-Tea of the Art Center. Proceeds will go to the dramatics program launched this year by the Orinda Art Center. The paintings which will be displayed have been painted in the Saturday morning art classes for children. — Sun photo by Mattson

TV Personality To Visit Club

For the ast meeting of the spring, the Orinda High School Mother's Club will elect officers for the coming year and will present as their program Mary Dorr who will reveal what goes on "Behind the Scenes in Television," from a daily performer's viewpoint.

The background and experience of Mary Dorr in radio and television extends over a period of 17 years, during which time she has covered every phase of the broadcast medium available to women, from coast to coast.

The meeting will be held at the home of Mrs. Bruce Anderson, 566 Miner Road, next Monday at 12:30. Tea hostesses for the day will be Mrs. L. O. Mjolsnes, Mrs. Jack Lee, Mrs. Jess Cheney, Mrs. W. O. Brunk, Mrs. M. O. Hall and Mrs. David Wallace.

Twelve-fifteen Meets In Walnut Creek Home

The Twelve-Fifteen Club met at the home of Mrs. B. O. Wilson of Walnut Creek on April 24. Co-hostess was Mrs. Mina Seims of Orinda. President Dolores Raskob headed the meeting. Fourteen members were present.

After luncheon, plans were discussed for the fall luncheon and card party to be held at the Brazilian Building in Tilden Park, September 1. The proceeds will be used for philanthropic purposes.

Twelve-fifteen meets the fourth Tuesday of each month. Next meeting will be at the home of Florence Sullivan.

Suburbia Scribblings

NASAL OBERTODES ARE HEARD

Have you been feeling snivelly, and not so very civilly? Have you been grubbly ebery borning, flaring up without a warning? Have you been looking downright awful, like a sad leftover waffle? With eyes redrimmed and bleary and aching muscles weary?

The outlook HAS been dreary. Blame it on the cold and rain! Spring has much to offer, but its ailments are a PAIN! We've been nursing runny noses, along with sinus, poison oak . . . Sliver, stiff necks, spider bites and it has been NO JOKE!

Only one good thing can be said for this code in the heddish . . . It has been nice to catch up on reading in beddish! We're beginning to sound delirious so we'll switch to being serious.

SPEAKING OF BOOKS . . . We picked up US CAMERA 1956 recently and came across a lovely full-page portrait of Mrs. Wayne Miller and her daughter Jeanette. On page 81, it's the very first pix in the FINE PICTURES class taken by MR. Wayne Miller, who lives here on Highland Court w/his wife Joan and wonderful flock of four.

Wayne has worked for LIFE, was a navy photographer, awarded a Guggenheim fellowship in 1947 and 1948 and more recently assisted his former captain Edward Steichen in creating the famous foto exhibit, "The Family Of Man."

In a front-of-the-book story, Steichen pays tribute to the Orinda man by saying he couldn't have done the widely-acclaimed exhibit without the valued assistance of Miller. Wayne has contributed w/his camera to many community activities and is currently on the publicity committee for the Orinda Library Campaign.

FAMOUS ILLUSTRATOR RAINY-DAY RACONTEUR

THE ORINDA LIBRARY LADIES, those devoted mothers who staff the Orinda school libraries, had a real treat in store for their guests at last Thursday's Book Tea held at Glorietta School. . . . If you have little children around the house, the delightful writings of Edith Thatcher Hurd are familiar to you. Because Mrs. Hurd was nursing a spring cold, too, her husband Clement Hurd, artist and book illustrator, subbed as guest speaker and told a rapt rainy-day audience how he and his wife worked out the book and pictures together.

The book-writing couple who live in Mill Valley are young parents themselves, probably one reason their writings are such a success in the children's book market. Clement Hurd, who showed a keen sense of humor, has also illustrated books for the well-known Margaret Wise Brown. Two of the Marin team's most recent publications are "Windy And The Willow Whistle" and "Cats From Telegraph Hill."

To further brighten a cozy rainy afternoon, Mrs. Alice Frederick, school district librarian, gave a Carl Sandburg reading and Pine Grove librarian Mary Crawford played a Mozart selection at the piano.

Some of the guests around the lilac-scented tea table were Isabelle Coates, Estelle Johnson, Twinx Hauer, Lila Axelson, Gwen Magill, Winnie Van Sicklen.

OVER THE COFFEE CUPS . . . Fran Yedidia, Mothers Club Library Chrmn. was telling friends that her dog "DANGO," a champion Schnauzer, is the brand new mother of six boy Schnauzers. (Dango, who is distinguished by HER bushy mustache, a to-the-death loyalty and a happy frame of mind, will be pleased to show you her best-of-breed brood if you'd be interested!)

Ladies who hostessed the afternoon affair and are active in school library work incl. Eloise McLeod, Rita Kingston, Audrey Cannon, Martha Goebel, Elsie Granberg, Ladine Hudson.

ALL KINDS OF SURPRISES

THIS HAPPY BREED . . . A fun-loving crowd that cooks up surprises constantly for one another and never tire of doing it, did it again, last Sat. nite, this time w/a surprise B'day party for Mary Colwell, held of the home of Evie and Gene Hopper.

Felicitating her w/a loud "SURPRISE" from a darkened living room were the Bill Courtrights, Art Schwatkas, Bill Christiansens, Fred Busseys, Bob Creightons . . . The George Jacksons, Jim Hills, and the Karl Rigors as well as the Bob Lymans, Joe Zablockis and Mary's spouse Mel were also on hand to offer b'day toasts before partaking of a tasty buffet supper.

Only the Sat. nite before, Jane Courtright had been the recipient of a similar soiree hosted by the same group, this one at Etta and Jim Hill's home.

The Robert Johnsens recently ret'd from a southland junket that incl. medical-conventioning in LA, and brief stays at Las Vegas, Carmel, and Santa Barbara, where they were ensconced in a surf-side cottage on the MIRAMAR grounds. . . . Lulled to sleep by the ocean breakers, they were roughly routed out of bed middle of night and for a few minutes tho't they were in the midst of an Earthquake! Only a passing late train; tracked not too many yards away from their cottage which shook and trembled, then slowly sank back to rest in the sand, remindiing them of the very funny scene in "Genevieve." You MUST remember, too!

The Henry Soubielles are combining business w/pleasure on a five-day stay in Reno. . . . Fairly settled in their new Sleepy Hollow home are the Henry Stricklands who recently moved from their hilltop house, high on El Toyonal. . . . The Volney Plumbs are planning on paper for their recently-purchased plot on Hall Drive.

Orinda Wife Sues For Divorce

Mrs. Florence F. Swedberg, 211 Canon Drive, charged cruelty last Friday as she asked a divorce from Berkeley businesman Walter W. Swedberg in Contra Costa Superior Court.

Mrs. Swedberg asks custody of four children, two by her former marriage and adopted by Swedberg, alimony and child support to be fixed by the court and a division of the community property.

The couple wed in San Diego in January, 1947, and separated May 2. Vernon Patterson of Lafayette is Mrs. Swedberg's attorney.

Orindan Reigns As May Day Queen

An Orinda Queen was crowned last week in Berkeley.

Marty DeMaeyer, 14 year old daughter of Mr. and Mrs. Leighton DeMaeyer, 18 Ardor Drive, was elected May Day Queen at Anna Head's School in Berkeley.

Marty, an eighth grader, won the honors in an election in which everyone in the school participated. Although both high school and grammar school students voted, the queen had to be selected from the eighth grade.

Following the crowning ceremony, in which the queen was crowned by members of the first grade class, each class performed a dance for the parents and guests present.

Marty, who presided over the May Day affair, has been attending the school since fall.

The event had been sponsored by the Student Council.

Sixty years ago the number of motor vehicles registered in the U.S. totaled 12. Last year's total was over 61 million.

NOTICE TO CONTRACTORS
(Advertisement)

1. NOTICE IS HEREBY GIVEN that the Lafayette School District will receive bids for the furnishing of all labor, materials, transportation and services for the construction of the DISTRICT ADMINISTRATION OFFICES.
2. Each bid to be in accordance with the plans and specifications now on file with John Lyon Reid and Partners, Architects, 1069 Market Street, San Francisco 3, California, where same may be examined and copies obtained upon deposit of Twenty-five ($25.00) Dollars per set, which deposit will be refunded upon the return of such copies in good condition within five days after the bids are opened.
3. Each bid shall be made on a form to be supplied by the Architect, and must be accompanied by a certified or cashier's check in the amount of $7,500 made payable to the order of the Lafayette School District. Bids must be sealed and filed with the District Superintendent of the Lafayette School District whose address is Stanley School, 3455 School Street, Lafayette, California, prior to 8:00 P.M. Thursday, May 24, 1956 at which time they will be publicly opened and declared in the office of the District Superintendent. Action on bids will be taken at a later meeting of the Governing Board.
4. The above mentioned check shall be given as a guarantee that the bidder will enter into a contract if awarded the work and will be retained by the District as agreed and liquidated for damages if the successful bidder refuses to enter into said contract or to furnish the necessary bonds after being requested to do so by the Governing Board of the Lafayette School District.
5. The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Governing Board of the Lafayette School District.
6. Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Governing Board of the Lafayete School District has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of wokman or mechanic needed to execute the contract, which will be awarded the successful bidder.

Planter Boxes Fit for Patios

Whether or not the term "outdoor living" was coined in California is a matter of debate (Floridans say otherwise), but certainly Californians enjoy a maximum of outdoor living, and in this outdoor living many extend their gardening area to include planter boxes containing a great variety of shrubs and flowers.

While they eat, sleep, read and loaf outside in patios and terraces, Californians have a great opportunity to enjoy plants close-at-hand. Plants grown in containers can be moved about on a patio and become as familiar a part of the outdoor living room as the furniture is of the indoor living room.

Probably one of the brightest and cheeriest plants is the bougainvillea, and as such it is wonderful grown in high planter boxes so that the vine can spill over the sides attractively.

A sun-lover, the bougainvillea blooms in gorgeous shades of red, pink, purple and scarlet.

Planter boxes are extremely attrattive containers for an outdoor scene, and in such containers the familiar and friendly Morning Glory in bush form (Convolvulus cneorum) also makes a lovely planting. Its foliage is silvery-gray and the flowers white or piniksh. Plant it in the sun also.

Drive carefully—save a life.

Figures in Cancer Drive 'Favorable'

The Contra Costa County Branch of the American Cancer Society today reported results of the April Cancer Crusade.

Branch President Richard Sanders reported that while final figures have not been tabulated to date, indications are that the amount collected in the residential drive will exceed goals set up for this phase of the campaign.

The quota set by the county organization to meet national, state and local requirements for the next year is $35,000. To date incomplete results show that $31,301.88 has been collected.

This amount does not include all kits from Orinda, Lafayette and Martinez, where workers are holding their kits for further follow-ups.

Walnut Creek has topped a $4000 quota by $1402 for a total of $5402.05 as reported by Mr. and Mrs. Donald MacVean, chairmen. Additional contribution are continuing to come in, they said.

The Concord area, including Cowell, Pacheco and Pleasant Hill, by last weekend had chalked up $7605.31 against a $4500 residential quota, according to Mr. and Mrs. Charles Karp, local area chairmen.

SPECIAL COMMITTEES have totaled $2775 to date, and are still continuing their work. These incluude special gifts committee, headed by James Dinwiddie, Lafayette; business committee, Dr. W. M. Bogart, Concord; industry committee, Al Stephens, Pittsburg, and clubs and organizations, Dr. Jonas Schreider, Walnut Creek.

Local area chairmen working to complete the campaign include Mr. and Mrs. Kenneth Renwick, Orinda; Mr. and Mrs. John T. Verhelst, Lafayette, and Mr. and Mrs. Donald MacVean, Walnut Creek.

'Musance' Will Be Given Next Friday Evening

Acalanes students will present their annual "Musance" program next Friday evening at 8 o'clock in the Don gym. This year's program will feature the Acalanes modern dance group and the school band, mixed chorus and A Capella chorus.

Highlight of the program will be a portrayal of the era of witchcraft in Puritanical New England, "The Salem Incident."

Girls in the modern dance group are Linda Axelson, Karen Betaque, Sheila Burns, Judy Colvin, Patsy Dailey, Hope Davidson, Julie Dees, Marilyn Engelhart, Judy Fibush, Ann Hightower, Carole Holabird, Roberta Miles, Judy Olson, Sue Pamella, Judy Parker, Pam Phillips, Nancy Richards, Dolores Roeschen, Loretta Scalinetti, Jane Seulberger, Drury Spurlock, Sally Weidlein, Pat Whitehead and Kathy Young.

The dance group and A Capella chourus will also present impressions of several well know Negro spirituals, including "Rise Up Shepherd and Folllow," "Ride the Chariot" and "I Want to Walk with Me."

The production, which features a cast of more than 150 students, is under the direction of dance instructor Millicent Hamburger and music teacher Richard Hansen.

The program will be the last major community presentation by Acalanes students for the current school year.

Park Council Asks Money For Program

The Contra Costa Park and Recreation Council has requested that $150,000 be allotted from the coming county budget for park land acquisition.

This sum would be enough to allow the county to start purchase of two or more park areas within the next year, according to Alvin A. Burton, president of the Park Council.

A letter given to the county Park Commission recommended the $150,000 figure to the Board of Supervisors so that the county would be able financially to take these actions:

1. Make a down payment on the Briones area which is now under consideration by the county for purchase from EBMUD. It would be the county's first large park.
2. Begin purchase of sites proposed in the interim Inland Parks Master Plan, soon to be completed by the county planning commission.
3. Be in a financial position to take advantage of any unusual offers of park land at attractive prices.
4. Hire a county park director.

Christian Science

How spiritualization of thought brings man enlarged ability and opportunity will be brought out in the lesson-sermon entitled "Mortals and Immortals" at services Sunday in Churches of Christ Scientist, 22 Orinda Highway, Orinda, and 1347 Locust Street, Walnut Creek.

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (265:5-15): "Mortals must gravitate Godward, their affections and aims grow spiritual — they must near the broader interpretations of being, and gain some proper sense of the infinite — in order that sin and mortality may be put off.

"This scientific sense of being, forsaking matter for spirit, by no means suggests man's absorption into Deity and the loss of his identity, but confers upon man enlarged individuality, a wider sphere of thought and action, a more expansive love, a higher and more permanent peace."

Pruning—a Key Phase of Gardening

You may control the growth of your garden in the pruning process by pinching, thinning out and heading the growth of each plant.

To make sure your garden is under your control, know the proper pruning methods.

In these early spring days, conifers, early flowering deciduous flowering plants and hardy broadleaf evergreens should be pruned.

EVERGREENS do not follow the same growth cycle as deciduous plants. The change between stored and manufactured food is going on all the time and there are intermittent flushes of growth. Pruning will have the least effect on the evergreens' plant processes if done just in advance of these flushes.

However, you can prune lightly any time of the year. Heavy pruning should be done well ahead of frost so that the new growth can harden before the cold. Severe pruning of evergreen trees, particularly subtropicals, is calculated by the amount of leaf surface removed.

Evergreen fruit trees should be pruned after the fruit is set. The form of hardy evergreens can be controlled by pruning. Fast growing evergreens require severe pruning; slow growers, light pruning.

WITH ALL YOUR evergreens tip pinching will save heavier cutting later. When branches occasionally outgrow the plant you can cut back or remove them.

In thinning out your evergreens, completely remove branches to the trunk. Tip pinch regularly to control the size of your evergreens.

As in all matters of gardening, your nurseryman is an expert. Before you begin your pruning, consult with him and get any necessary pruning equipment from him, too.

A First-Time Vote: Area School Board

For the first time an elective County Board of Education will be chosen by the voters next Friday.

Heretofore the county schools board has been appointed by the Board of Supervisors as an advisory body to the county superintendent of schools. The new seven-member elective County Board of Education is required by legislative action.

Indicative of the widespread interest in the matter, 24 candidates are running for the new County Board of Education. The new board will have one member from each of seven areas.

However, any registered voter anywhere in the county can vote for any seven candidates. In the final tabulation, the highest-ranking candidate from each area will be the representative of that area on the new county srhools board.

Duties of the new board will include action on budget matters, school curriculum, school libraries and school administration. In other words, it will be an important board.

Elsewhere in this issue is a news article listing the candidates. It behooves every voter to study the list carefully.

In addition to the election for the new County Board of Education, local school district elections will take place the same day.

Since school trustees occupy positions which are among the most important — inasmuch as they guide the educational system for our children — the annual election of school trustees is one in which we should all participate.

In those local trustee elections where there are contests, statements by the candidates appear elsewhere in this issue.

We urge you to read those statements, ponder the problems involved, and vote according to your convictions.

Nejedly to Speak At Acalanes Meet

Defunct districts will be the subject of a talk by John Nejedly, first vice president of Central Contra Costa County Republican Assembly,at a meeting Wednesday evening, 8 p.m. in the cafeteria of Acalanes high school in Lafayette.

Also at the meeting will be Alfred W. Newman, Vallejo attorney and regional director of California Republican Assembly.

At the conclusion of the meeting Louis Comstock, treasurer, will take new memberships, refreshments will be served.

At the regular meeting of directors of the local Assembly, last week, unanimous endorsement was voted for Donald Doyle, state assemblyman, Thomas M. Kuchel, U. S. Senator, John Baldwin, U. S. Congressman, all incumbents and for candidate for state senator on the Republican ticket, Jack Pedder.

Present at the meeting were: President Walker, 2nd vice president Joan Chandler, Treasurer Comstock, Recording Secretary Helen Wasserlein, Corresponding Secretary Robert Wasserlein, general membership chairman Kenneth Chandler and director Jack Pedder.

Authority on Industry at Dinner Meet

A specialist in construction industry addressed the General Contractor's Association of Contra Costa County at a dinner yesterday at the El Nido Restaurant, Lafayette.

Dr. George Cline Smith of New York City, assistant vice-president and economist for the F. W. Dodge Corporation, publishers of the "Daily Pacific Builder," "Building Business," "Architectural Record," and Sweets Catalog Service spoke on "Bigger Building Years Ahead."

What They Say . . .

Poor Jack . . . No Hobbies

"All work and no play . . .etc."

The preceding shop-worn adage begins to take on new meaning with the advent of spring weather and lust for diversion.

When your reporter began biting his fingernails in the midst of a frantic working day, his chain of nebulous thought led him to wondering how other folk distract themselves from their daily routines.

THE ANSWERS to his query, "What's your favorite hobby?" led him from the fairways of the golf course to the faraways found in romantic novels.

Mrs. William T. Tradewell, of 14 Berkeley Avenue, Orinda, reported that the putt and tee sport was an avocation sufficient to keep her busy for a long while.

"Golf is my favorite hobby," she said, "because I can't beat the game."

"My favorite hobby is reading," commented Mrs. Robert C. McFilgot, 2 Los Amigos, Orinda.

SHE FOUND, however, that she was often distracted from her distraction. "I do as much reading as I can," she continued, "what with my little boy around."

Well, he has to have his hobby, too!

Sometimes we find hobbies as time-taking as work. Such is the case of Mrs. Paul May, 1134 Nogales, Lafayette.

"I have several hobbies," she quippped. "One is golf, another is photography. I give about four days a week to golf. It's an excellent release, especially when you're angry . . . you can always take it out on the ball."

Mrs. Bruce Herbert of 330 Marayal Road, Pleasant Hill, prefers swimming, and with her family travels all over the area, visiting many pools.

"We go sometimes to Martinez, to Mitchell Canyon, I think it's called, and to Las Lomas High. My sons, Bruce, Jr., and Damon are both good swimmers. Bruce is an Eaglue Scout, he has to be good."

Gardening is the favorite pastime of Mrs. Ralph Smith of 11 Vista Hermosa, Walnut Creek. She loves flowers.

"But our biggest problem right now are Aphids, an insect which eats leaves, and causes a lot of trouble."

The Smiths moved to their present residence about a year and a half ago.

Undecided is Mrs. Clayton Southard of 4124 Walnut Boulevard, Walnut Creek, who likes both horseback riding and art. Expecting, she finds that a riding habit is out of style for her just now.

"I deal mostly in water colors and about any other medium than oils. I had a chance recently to attend a college course in arts and crafts," she said.

A very useful hobby has Mrs. Thomas Burnes whose skill at the sewing machine has created the adornments of living room, and other areas of the house.

"It's something I learned when a little girl, and take a lot of pleasure in. And I was able to put it to greater use in a New York design school," she said.

"I found I couldn't walk, so I was forced to drive."

Weed-Killing Spray Into Area Channels This Week

Weed-killing spray will be introduced into the Walnut Creek channel, Grayson Creek, Galindo Creek and seven other in Contra Costa County, it was announced by the Department of Agriculture today.

Explaining the need for the work, Arthur L. Seeley, county agricultural commissioner, declared that last year's $4 million loss due to flood faters brought to residents the realization that such things as cat-tails, tules, willows and other brush species are hazardous to proper drainage in the channels.

HE ADDED that the people in the county were fortunate in that these facts were recognized by the County Flood Control and Department of Public Works over two years ago.

It was realized, reported Seeley, that a problem existed and it was recommended that emergency spraying of certain sections of the channels be done by the County Department of Agriculture where a threat to proper drainage existied because of weedy growth.

Upon further recommendations of the County Administrator the Boar dof Supervisors approved this program on an emergency basis and allocated $5000.

Since this spray program was established it has assisted in maintaining the flow of many major channels, he said. Last year's efforts were directed mainly at the major reaches of Walnut Creek, Grayon, Pine, Galindo, San Pablo ,El Cerrito, Rodea, Wild Cat, Sherman Acres and Shore Acres Drainage, Sand Creek, and the major portion of Marsh Creek.

BECAUSE LAST year's spraying left so many dead cat-tails, tules and willows within the channels, Carl Rich, chief engineer for the Contra Costa County Flood Control and Water Conservation District, recommended that these channels be burned by the Department of Public Works.

At the sam etime it was recognized that the cleared channel would not be adequat to handle the runoff from winters such as that of 1951 and 1952. Burning thi dead material reduced the hazard of clogging county culverts.

Letters to The Editor

ONE OF SEVEN

Dear Editor:

May we correct a possible inference that might be made regarding the Lafayette Republican Assembly, following a recent news story in The Sun, presumably released by David Comstock of Alamo.

This story stated that Comstock made a speech to the Lafayette Republican Assembly April 12 and it quoted derogatory remarks made by Comstock against a member of the County Planning Commission and a county corporation.

Comstock was one of seven supervisorial candidates invited by the assembly as a public service, to give their platforms at a meeting open to the public. At no time has Comstock been invited to address the assembly otherwise.

The board of directors of the Laafyette Republican Assembly wishes to publicly correct any erroneous impression that he was a special guest speaker.

The assembly has not and could not condemn the individual or the corporation mentioned by Comstock, or any other individual or corporation. Its by-laws conform to Republican Party structure and its object it to strengthen and promote the Republican Party and not to attack persons or groups.

GERTRUDE WALKER,
President, Lafayette Republican Assembly.

County Group Names Lafayette Woman as Leader

The appointment of Mrs. Robert MacHugh of Lafayette as executive secretary of the Association for the Progress and Improvement of Contra Costa County has been announced by President George Weise.

Commenting on the qualifications of Mrs. MacHugh to serve as the head of the Association Weise stated, "Mrs. MacHugh has proven herself eminently qualified to assume the responsibilities of the Association through her college training at the University of California, her business experience and through her civic activities in Contra Costa County."

Mrs. MacHugh studied civil engineering at the Colorado School of Mines, received a Bachelor of Science degree from the University of California in Landscape Architecture and made a five month study tour of the European continent.

She has been employed as an engineering and architectural draftsman in the offices of consulting engineers in Northern California, and was engaged by the Contra Costa County Planning Department in 1954 on a temporary appointment as an Assistant Planner in 1954.

Recently Mrs. MacHugh acted as coordinator for the Association for the Progress and Improvement of Contra Costa County, the Planning League of Contra Costa County, the Women's Planning Council and the Emergency Committee for the Master Plan in obtraining the current course in "Community Planning 801," given by the University of California Extension at Acalanes High School in Lafayette.

She has been a Lafayette home owner for the past five years.

Brother, can you spare a ride?

Last week this column presented William Fry's ideas on commuting. Briefly, his theory is that almost all commuters should utilize ride pools and, if they don't, one-in-a-car commuters should pay a toll to use the highway. When I printed Fry's comments, I knew there would be some fast reaction.

Today I received a communique from one of my special agents, Commuter Bob Kahn. Bob is a department store executive. Here is part of his letter:

"I think that W. L. Fry had some good suggestions on the problem of commuter traffic. However, it is quite evident that he is one of those people who is fortunate in having a job with rather definitely fixed hours and can enjoy the practicability of a 6-man ride group.

"However, he gets a bit off base when he assumes that every time there is a car with just one rider that a) that person should be trained like a child and b) that he should be punished or fined through a special toll. Perhaps this security urge that pervades our present society should be extended to the point where a law is passed that people can only work fixed hours, the same each day, in order to solve our traffic problem.

A salesman on horseback?

"He rather glibly tosses aside all Central Contra Costa residents with irregular hours with the statement, 'Some Salesmen may have to commute singly some of the time, I will admit, but not most of the time.'

"I don't happen to be a salesman — but I do commute singly. If Mr. Fry could tell me of a 6-man car group that would have permitted me to keep the following schedule last week I would be more than happy to work with them:

(At this point, Bob lists his itinerary, hours of arrival and departure for Monday through Saturday. His schedule varies considerably from day to day, particularly his hour of leaving.)

Meetings here and there

Bob continues, "Of course, the mid-day meetings in Oakland (Wednesday), San Francisco (Tuesday), Montclair District (Thursday) and the night appointment in San Francisco (Wednesday) could have been handled (with considerable extra time and/or cost) by taxi or infrequent mid-day public transportation.

"It so happens that I like this kind of a job and hardly feel that in addition to the expense of driving alone every day that I should be fined or taxed in special category to help Mr. Fry," Bob concludes.

Well, that certainly is a convincing answer as to why Bob Kahn can't use a ride pool. And I am certain there are innumerable others who have similar problems. However, I am equally certain there are hundreds of others who could save money and effort if they investigated the possibility of sharing their cars or riding Greyhound.

Let me make this point clear: this will not solve our commuting problem. But it could help.

WATER RATES

DEAR EDITOR:

My sincere thanks to you for trying to get people and organizations off "dead center" on the proposed increase in water rates, now being asked by California Water Service.

I am enclosing a copy of a letter that I wrote to the commission as of this day, and do hope that many others that will be affected will not only do the same, but too, attend the meeting May 31 to enter the most vigorous protest that they are able. If enough of us get together I believe we can defeat this increase. Here is the letter:

PUBLIC UTILITIES COMMISSION

"I should like to enter my most vigorous complaint on the proposed increase in water rates requested by the California Water Service.

"This is nothing but a genuine hold-up, if allowed to go through, for the present rates are much too high as they now stand.

"When we first moved here nine years ago, we were told that while the rates were high, California Water Service would probably reduce them, when they had more customers to serve. This was sheer mullarkey to say the least, as they were granted a goodly raise not too many years back, and now they ask for another, and 40% at that. Please realize gentlemen, the burden this places on the average householder out here. In sumertime our bills and monthly at that run to $18.00 and even more. This is a terrific price to pay as it is without another raise.

"Compare, if you will, the rates now, with other localities in the state and believe you will find we already pay the highest rate anywhere.

"I ask, in all fairness, that this highly unwarranted increase not be granted, for the reasons stated above, and believe you will find that the people now being served by this company will not only protest by letter but will be on hand at the hearings May 31."

Would you kindly keep "drumming" this in their minds every week, and in large print?

My sincere thanks for this, and before I forget, please put us down as a subscriber for the Pleasant Hill Sun.

STANLEY HALL

WHY ACCIDENTS?

Speed too fast for conditions is the leading or contributing factor in almost every traffic accident. This statement by the California Highway Patrol is based on an analysis of the 1955 traffic toll in California.

WATER HIKE

Dear Editor

Last week's Sun properly deplored the apparent lack of public concern over the 40 percent hike in water rates being sought by the California Water Service Company.

We should be indignant over the apparent ease with which California Water is moving to get this huge rate increase for itself. We should be concerned by the disturbing implications underlying the whole matter, to wit:

1. **THAT THE PUBLIC** Utilities Commission, which has power to approve or disapprove this vast rate increase, would reach its decision on the basis of the volume of public protest, i.e., o protest, O.K. the increase . . . Big protest, maybe not grant the increase, now! If so, this is a heck of a poor way for the Commission to guard the public interest. Surely the public doesn't have to stage a mass rally to convince the commission of what is right and sound?

2. That California Water Service Company is an inefficient organization, and, unlike vigorous and progressive business organizations, can make up for its inefficiency or appetite for profit by merely upping the costs to its captive customers . . . the public.

THIS IMPLICATION makes even more sense when we have the more efficient example of the East Bay Municipal Utility District (EBMUD) which has demonstrated basically downward water rates over the years. No threat to our system of private enterprise could be greater than that born of a situation which finds a company like California Water permitted to retain its . . . pay or else relationship with its customers . . . when it cannot measure up to the operating standards of truly efficient private utilities.

This writer has no quarrel with the idea that California Water should receive a fair profit from its ventures. Naturally to "earn" a profit is something slightly different from just "having" a profit. It is to be hoped that the Utilities Commission in its position of access to the facts, will act so as to underscore this distinction.

The public's alternative, in this case, would appear to demand that they form their own utility districts and obtain the service of a more efficient water company . . . a certain city attorney notwithstanding.

MARGARET ANN LAHMANN, daughter of Mr. and Mrs. William R. Lahmann of 110 Hillcrest Drive, Orinda, is engaged to Harold Miller Romanowitz of Alameda.

String Quartet Will Give 'Musician's' Concert Soon

The Contra Costa String Quartet and guest artists salute the public with a full evening of "musician's music" — particularly Mozart's music — in a concert at 8:15 p.m. next Thursday at the Latter-Day Saints Chapel, Overlook Drive in Walnut Creek.

The quartet, which has been together some eight years and rehearses each week, is the classical quartet of musical tradition.

It is made up of Paul Fryer, Concord, violin; Al Oliver, Livermore (recently of Walnut Creek) violin; Orval Peterson, Pleasant Hill, viola and Oscar Busch, Lafayette, cello. Lillian Katzburg of Gregory Gardens, viola player, will join the quartet in playing the first movement of the G minor viola quintet by Mozart.

For the concert Dick Lotter of Lafayette and Deane Tutt of Martinez, professional cellists, and Don Jackson of Pleasant Hill, an engineer who plays cello, will join the group.

The musicians will present a group of numbers for four cellos, a rarely heard combination.

In addition to the regular string quartet and four-cello numbers, the quartet will present Mrs. Edward Gilbertson, Concord soprano, in several solos.

She will be accompanied by pianist Charles Martin of Concord.

Mrs. Lenore Lundholm of Lafayette will present as a piano solo one of the Beethoven sonatas.

As a closing number Mrs. Lundholm will join with the quartet to do the first movement of the Piano Quintet by Schumann, one of the most famous numbers for this combination of instruments.

"MUSICIAN'S MUSIC" will be presented at a free concert at 8:15 p.m. Thursday by the Contra Costa String Quartet and guest artists at the Latter-Day Saint Chapel on Overlook Drive, Walnut Creek. At a rehearsal are, left to right, Paul Fryer, violinist; Al Oliver, violinist; Oscar Busch, cellist; Leonore Lundholm, pianist, and Orval Peterson, viola player. — Sun photo by Mattson

Alamo Women Meet Today Install Officers May 23

The Alamo Women's Club will hold a general meeting today at 1 p.m. at the clubhouse on South Avenue and Danville Highway, Alamo.

Tea refreshment committee has Mrs. Harry Stewart and Mrs. Milton Gundy, assisted by Mesdames F. M. Tiffany, W. Gray and Paul Shipley.

A full report from a four-day state convention at Berkeley by Mrs. Alden A. Jones, Mrs. William E. Nickerson, Mrs. Alfred Jones, delegates; Mrs. Harry Owen Holt, club president and alternate Mrs. George Johnson. The Alamo delegation attended the entire convention sessions day and night.

On Wednesday there will be a card party at 11 a.m. Cake and coffee will be served. All members and their friends are invited. Ernestine Gleim, VErnon 7-4459, has reservations.

On May 23 there will be an installation of new officers at 1 p.m. in the clubhouse.

New officers to be installed are Mrs. Alden A. Jones, president; Mrs. Harry O. Stewart, first vice-president; Mrs. William E. Nickerson, second vice-president; Mrs. Jesse G. Jones, recording secretary; Mrs. Alfred Jones, corresponding secretary; Miss Gladys Hobson, treasurer; Mrs. W. J. Krakenbuhl, auditor; Mrs. Harry Owen Holt and Mrs. J. A. Polhemus, directors.

Special installation tea refreshments will be prepared and served by a committee headed by co-chairmen Mrs. L. E. Clinton and Mrs. Phil Firestone, assisted by Mesdames C. J. Herman, Iris Nelson and H. A. Brown.

Aid to Airports

Federal financial aid for airport development through matching grants to Contra Costa County totals $13,390, it was announced recently.

Raggedy Ann Dolls to Mark Home Society Fund Drive

Large Raggedy Ann dolls to be placed in front of five Alamo homes on Thursday at 12:30 p.m. will introduce Raggedy Ann Chapter of the Children's Home Society's first fund raising project.

Luncheon and bridge or card parties will be held at the following homes Thursday: Roy Price, 1901 Miranda; James Dieterich, 50 Bolla Way; Charles Lurmann, 21 McClellan Terrace; J. V. Shahbazian, 1589 Livorna Road, and Ed Thomas, 75 Las Quebrades.

THE DECORATING Committee, headed by Mrs. Ben Dykes and Mrs. James C. King, has also used the Raggedy Ann theme for the tallies and in the decorations for each home.

Hostesses at the Thomas home will be Mr. Ed Thomas, and Mesdames A. C. Phelps, Albert Morocm and Bill Lubbock.

At the Shahbazian home the hostesses will be Mesdames Shahbazian, W. E. Nicolaisen, Ben Dykes, Phil Fay, Jack West and Lawrence Davitt.

The Dieterich home will have the following hostesses: Mesdames W. Sawyer, Jr., M. V. Young, Wally Cook and Dieterich.

Hostesses at the Lurmann home, besides Mrs. Lurmann, will be Mesdames Winton Woodman, Robert Lehmann and Stephen Richards.

MRS. PRICE, who is president of the Raggedy Ann Chapter, will have Mesdames James C. King, Jack Chapman, Robert Hart, Guy L. Rosebrook, Mark Mills, Leslie Elliott and Patric J. Selack helping her.

Mrs. Robert Hart, general chairman, is still taking reservations and a telephone call to her at VE 7-4996 or Mrs. Wally Cook, ticket chairman, at VE 7-2068, will secure a reservation.

Parents Fete Newlyweds in PH

Mr. and Mrs. Paul Wright of Pleasant Hill were honored Sunday at a reception held at the home of his parents, Mr. and Mrs. Charles Wright of Oakland.

The newlyweds, she was the former Miss Patti Brown, cut a four tiered wedding cake and punch was served to the family and friends of the couple.

The bridegroom's grandmother, Mrs. Emma Morrissette; his aunt and uncle, Mr. and Mrs. Tod W. Morrissette and sons Harvey Bruce and Terry; and Mrs. Nada Keefe, all of Reliez Valley Road, Pleasant Hill, were among the guests. Also present, were the bride's parents, Mr. and Mrs. E. H. Brown of Oak Park Road, and the bride's brother, Ernest.

The newlyweds exchanged their wedding vows at a single ring ceremony in the Little Chapel of the Wayfarer in Carmel with Dr. Gray officiating, April 21.

Miss Caroline Ferro of Pleasant Hill was maid of honor; Robert Carlisle of Lafayette served as best man.

The bride is a June '55 graduate of Pleasant Hill High School, attended the East Contra Costa Junior College, and is employed with an insurance company in the Bay Area.

The benedict attended Fremont High and Acalanes High School, and is with the Walnut Creek Pacific Telephone and Telegraph Company.

Following the wedding ceremony, a dinner party was held at Sade's in Carmel. The newlyweds went on a short Carmel honeymoon before moving to an apartment in Oakland.

Valley Alumnae To Meet Monday

The Diablo Valley Alumnae of Alpha Gamma Delta will hold their monthly meeting next Monday at 8 p.m., at the home of Mrs. J. E. Rauch, 105 Meadow Road, Orinda.

New Zealanders' Outlooks Change in Orinda Home

Two New Zeaand tourists have been houseguests of Mr. and Mrs. John Dorr of Oakwood Road in Orinda. They are Reginald Barker from Auckland, New Zealand, and Earnest Downs from Christ Church, New Zealand.

Barker and Downs are studying the economics of American life while on a four-month tour of the United States. They are affiliated with the Grocers' Association and the Dry Goods Association of New Zealand and are particularly interested in supermarkets, seeking new ideas and ways of improving grocery distribution in their homeland.

They also inspected a chicken ranch in Napa and were intrigued with the scientific methods employed. Chickens living on wire and laying eggs by lamplight is not too new to us, but it was their first introduction to modern life in the henhouse. Poultry is a rare and unusual dinner course in New Zealand, for over there beef is the main and practically the only meat served.

It averages 29 cents a pound. Since the poultry industry is virtually undeveloped in their country eggs are also scarce.

During Public Schools Week the Orinda School on open house night presented an opportunity to view our curriculum of education and the New Zealanders were very much interested in our buildings, classrooms, playgrounds and scholastic program.

WHILE STAYING in Orinda they have seen places of history, education and recreation and have been entertained by local families and lived the American way in an American home. Their daily routine differs somewhat from ours. Their day begins with tea at 6 a.m. and continues with frequent light meals throughout the day and several tea-breaks.

Barker had visited the Bay Area six years ago and conjured a chilly view of the "American Way" from a hotel room in San Francisco. The opinion he gained then was far from flattering since he felt he was an outsider not being asked in.

Then Mrs. Dorr's mother, Mrs. Harper Wright of Orinda, chanced to meet Barker while abroad, and she learned of his experiences in our locality and she proceeded to change his concept of our people by visiting his family and becoming well acquainted with them.

THEY CORRESPONDED for several years and she finally persuaded him to visit Americans in their homes instead of in their hotel lobbies.

Barker writes a syndicated column for New Zealand newspapers, and these days he is sending home a much warmer picture of American hospitality.

Flower Ball Is Tomorrow

The Contra Costa County Medical Auxiliary will hold an annual Flower Ball tomorrow night at the Castlewood Country Club.

Proceeds will be used to establish nursing scholarships to enable several young women to enter that profession.

Committees are making final arrangements. Mrs. Charles Hart of Walnut Creek and her committee are making reservations in response to invitations, and Mrs. F. W. Ackerman of Concord, and her assistants, are hard at work.

Safety Council Urges Several New Measures

The Traffic Section of the Contra Costa Safety Council met at the Pleasant Hill High School May 2 under Section Chairman Basil Andrews. The following resolutions were passed to encourage the enforcement of safety practices.

1. Urge the Groom Moyer and the Barrett Construction Companies to complete Moyers Road as soon as possible so that area residents will use it rather than the intersection of Hilltop Road and Highway 40. There 27 people were injured last year and 4 have been injured already this year at this crossing near San Pablo.

2. Commend Board of Supervisors for enacting Ordinance 919 making it unlawful for an intoxicated person to be in or about an automobile. This law has been very effective as an aid in controlling drunken driving.

3. Commend Captain Magill, commanding officer, Contra Costa County Highway Patrol for adopting intoxi-meters to provide more effective enforcement of drunk driving laws locally.

4. Request the County Public Works Department to investigate the intersection of Reliez Valley Road and Alhambra Valley Road for possible installation of stop signs.

5. Recommend that each community conduct Bicycle Safety Programs with safety inspections and skill tests.

Plan Acalanes District School

John Lyon Reid, described as "one of the leading school architects in Northern California," has been employed by the Acalanes High School District to design the next school to be erected in the district, it was announced.

School officials stated that the location of the next school plant is not definitely determined yet. Reid has been associated with recent school construction in Walnut Creek, Lafayette, the Mt. Diablo Unified Distirct and Martinez.

Carol Hillyard Tells Troth To Yale Man

Mr. and Mrs. Robert B. Hillyard of Meadowlands Court, Orinda, recently announced the engagement of their daughter, Carol Diane, to Ralph T. Jones, son of Mr. and Mrs. Kenneth D. Jones of Sandwich, Illinois.

The bride-elect, a former resident of Los Angeles, is a graduate of Acalanes High School and is at the present time employed by an Oakland firm.

Her fiance, formerly stationed at Parks Air Force Base, is now studying at Yale University.

Jones-Balfour Are Married

Mr. and Mrs. Thomas Henry Jones, 1791 Shirley Drive, Pleasant Hill, announced that their daughter ,the former Miss Barbara Louise Jones was married in April to William Dewing Balfour Jr., in St. Louis, Missouri.

Following the wedding, the newlyweds went on a short honeymoon to the Lake of the Ozarks in Mississippi. However, the young couple plans to take an extended trip this summer to Acapulco, Mexico, and Canada, and plan to be in Pleasant Hill in July. During their visit the bride's parents are planning a reception for the family and friends.

The wedding was held April 7, at the Church of the Holy Communion in St. Louis, with Rev. W. S. Hohenschild officiating.

Maid of honor was Miss Barbara Ruegge of St. Louis, and secondary attendants Misses Margaret Ann Brills of Salisbury, and Margery Klein of Kansas City. They wore waltz length aqua taffeta dresses with matching feather headbands, and carried bouquets of white daisies and yellow jonquils.

Best man was the benedict's brother, John F. Balfour; Martin Flannery, and Robert Schneider, Kappa Sigma fraternity brothers of the benedict, were ushers.

The bride's mother, Mrs. Jones, who attended the wedding, wore a rose lace dress, white accessories, and camellia corsage. The benedict's mother, Mrs. Balfour, wore a mushroom colored shantung, beige accessories, and camellia corsage.

The bride was a teacher for one year at Meadow Homes Elementary School in Concord. A graduate of San Leandro High School, she was a graduate of the College of Education at the Missouri University, a member of Gamma Phi Beta sorority, Pi Lambda Theta education honorary sorority and Mortar Board. She as listed in Who's Who in American Colleges and Universities, and will teach in Columbia, Missouri, for the next year.

The benedict, son of Mrs. W. D. Balfour of University City, Mo., and the late Dr. W. D. Balfour of Lihue, Kauai, Hawaii, took his prep schooling at Punahou School in Hawaii. He is a senior in the College of Agriculture at the University of Missouri, and a member of Kappa Sigma fraternity.

Following the graduation of the benedict next year, the young couple are planning to leave for the Islands to make their permanent home there.

Junior Women Win Award For Project in Education

An award in the field of education was presented to the Junior Women's Club of Walnut Creek at the State Convention of the Federation of Women's Clubs—Junior Membership recently.

The two-day convention was held at the Fairmont Hotel in San Francisco with over 900 young women from all over California attending May 4-5.

THE WALNUT Creek Juniors are half way through a two year project to help educate the public about cystic fibrosis, a newly-diagnosed, fatal children's disease.

Their winning report, among other projects in the field of education, included the following projects for cystic fibrosis:

1. A speaker to educate the club members about C. F.
2. A dessert card party to raise funds for C. F.
3. The purchase of 500 reprints of a C. F. article in the Ladies Home Journal. The reprints were donated to the C. F. Foundation for distribution to doctors.
4. The printing and mailing of 827 letters to every Senior and Junior Women's Club in California explaining C. F. This resulted in many donations to C. F. from the California Women's Clubs.
5. A rummage sale held to raise funds for C. F.
6. The presentation of a $500 check to the C. F. Foundation for research in the field. (This was the second largest check received to date.)

THE AWARD was received by Mrs. Charles Pratt, outgoing president.

The second delegate was Mrs. John Messer, president-elect. Other Walnut Creek Juniors attending the two day convention were Mrs. Floyd Burror, State Civil Defense chairman; Mrs. John Fontenrose, first vice-president-elect; Mrs. Harry Hemstalk, second vice-president-elect; Mrs. Howard Parsons, recording secretary-elect, Mrs. Reed Bells, corresponding secretary-elect; Mrs. Edwin Robinson, Build a Better Community chairman; Mrs. R. W. Covert, education chairman, and Mrs. Alfred Brennan, philanthropy chairman.

It was under the guidance of Mrs. Brennan that the club chose cytic fibrosis for its main philanthropic project.

Diablo Parents, Teachers Plan Luncheon on Monday

Nearly 300 reservations have been made for the annual reciprocity luncheon of the Mt. Diablo Council of Parents and Teachers to be held Monday at 12:30 in the Mt. Diablo Country Club.

New officers will be installed by Mrs. Lawrence Green of Walnut Creek, director of communications for the 32nd district of the CCPT.

Mrs. D. W. Carlson of Pleasant Hill, council publicity chairman will return unit publicity books which were judged by the district committee.

The committee planning the luncheon is from the Danville PTAs.

Mrs. Paul Shipley, president of Charlotte Wood PTA will be guest chairman; Mrs. Phillip Greer, president of Green Valley PTA will be decorations chairman; Mrs. T. P. Lake, president of San Ramon Valley Union High PTA is ticket chairman; Mrs. William Gidding, president of Danville Grammar PTA is program chairman.

Mrs. Giddings has planned a musical program featuring the boys quartette from San Ramon High School and children from Danville Grammar School, singing excerpts from the operetta, "Alice in Wonderland," which was given recently at the school.

Keith E. DeTar Weds Mae Cook

Larmer Stresses Road Planning

Edward M. Larmer of Lafayette, candidate for supervisor of the Second District, stated this week he would work to "bring to reality as soon as possible" the acquisition of rights-of-way for the Orinda by-pass as part of the Orinda area planning and highway construction program.

"If elected supervisor I will press to the fullest immediate acquisition of rights-of-way for this important job," Larmer said. "It is important that the route be determined now."

Larmer said that mid-month will see advertising for bids for the estimated $2 million 5-mile middle stretch of the San Pablo Dam Road reconstruction project.

"Under the timetable, Orinda by-pass will be next," Larmer said. "That is, if we remain on the job to be certain of its priority. We need this right-of-way acquisition now to tie the project down and for planning purposes.

"I believe I can be of service in translating this situation from a plan on paper to actuality. After right-of-way we have to finalize plans."

He also urged finalizing of plans on the Moraga Valley cut-off and the Burton Station-to-Alamo Road.

Larmer also touched on necessary state highway improvements in the area. He listed another upgrade lane between Orinda and the Tunnel "to minimize truck interference with traffic," a Charles Hill interchange and bus turnouts.

Comstock Tells Of Recent Talk

David A. Comstock, candidate for supervisor in the Second District, yesterday made the following statement with regard to a press release issued by his campaign committee concerning an appearance before the Lafayette Republican Assembly last month:

"Since the Comstock for Supervisor Campaign Committee understandably is concerned more with my candidacy than with that of other candidates, no attempt has been made to handle publicity for them.

"The facts as stated in the release were correct and contained no inferences. I have not sought nor have I received the endorsement of the Lafayette Republican Assembly, although I have accepted the offer of individual support made by an officer of that organization, a fact that was not stated in the earlier release."

SCRAPPED

Imagine what traffic conditions would be today, points out the California State Automobile Association, if it weren't for the fact that more than four million vehicles are scrapped each year.

Barton Backs C. R. Wallace

Dennis Barton of Danville, this week announced his endorsement of C. R. Wallace for supervisor in the Second Supervisorial District race.

Barton, who earlier this year had been mentioned as a possible candidate, said that he had decided not to run inasmuch as several good men were available. He went on to explain that his choice of General Wallace was based upon four qualifications:

"1. Wide administrative experience as a general in the Marine Corps admirably suits him to serve as the head of our multi-million dollar county government.

"2. His experience in dealing with thousands of people in a diplomatic or politic manner assures his ability to assist with the reorganization of the county government into a more efficient organization to better serve our tremendous future growth.

"3. He has no business interests which could in any way conflict with his service in the public interests or his availability 24 hours a day.

"4. His candidacy is a continuation of a lifetime of devotion to his fellow-citizens."

Barton added that in his opinion "Wallace brings to this county office a rare combination of proven executive ability, experience, a mature mind, a frank, straightforward attitude, an unswerving belief in his ideals, and finally a sincere desire to work diligently to bring to this county the best possible government."

Mrs. Barrows Accepts Baldwin Campaign Post

Mrs. Thomas N. Barrows, 59 Southwood Drive, Orinda, has accepted the chairman of a Citizens for Baldwin comimttee in her area, Harmon Howard, Walnut Creek, chairman of the campaign of Rep. John F. Baldwin (R., Martinez) announced today.

"During John Baldwin's first term he participated in obtaining appropriations for deepening Richmond Harbor, a Walnut Creek watershed survey, Antioch Harbor and turning basin survey, and other major projects.

"As his seniority increases he will become an even strnoger representative for the Sixth District," Mrs. Barrows said, in accepting the volunteer post.

Mrs. Barrows' professional experience includes work with the San Francisco Red Cross and promotion for a major department store.

A graduate of Miss Head's School in Berkeley and the University of California, she is an honorary member of Mortar Board, a member of Alpha Phi Sorority, and is active in many Contra Costa civic groups.

Pedder Expects GOP Nomination

Jack Pedder, candidate for Republican state senator from Contra Costa County, discussed cross-filing with the Board of Directors of the Central Contra Costa County Republican Assembly last week. "One of the things that the rank and file of each party can endorse," Pedder said, "is the party designation with the name of each candidate on the ballot."

An attempt to abolish cross-filing failed in the Legislature two years ago. The compromise, he pointed out, was use of party designation on the ballot. This new law may result in "material political changes" in the state, Pedder said.

"I expect to win the Republican Party nomination for senator from Contra Costa over a strong Democratic opponent who is cross filed," Pedder stated, "because his party delineation will mark him a stranger to our Republican ballot."

Pedder, who filed only on the Republican ballot, continued: "My winning the Republican nomination will prove that the day of cross-filing is over for practical purposes. We can expect the return of a strong two-party system in California. The use of the preferential primary for the development of party candidates in campaigning against their own incumbents will heighten public interest in party politics."

Masterson Aids Dr. H. Quinney

Dr. H. R. "Bob" Quinney, labor endorsed Democratic candidate for Congress in Solano and Contra Costa Counties, today announced that Assemblyman S. C. Masterson has accepted an appointment as West Contra's Quinney for Congress chairman.

"I welcome the opportunity to work for the election of a man who has shown he will not be a tool of utility companies or other special interest groups," the assemblyman declared.

"I heartily endorse his stand for outright repeal of the Taft-Hartley Act or its drastic revision to insure the rights of the working men who organize, his support for a more positive and forward looking foreign policy, a stronger United Nations, and his other declared views," Masterson continued.

"Bob Quinney has not only worked hard and long within the Democratic Party for the best of its ideals, but he has also contributed on the local level as a civic leader in his own community," he said.

"I ask the voters in the 11th Assembly District who have loyally supported me through two terms in Sacramento to also support Dr. Quinney in his candidacy."

It was also announced that 5000 active Democrats in Contra Costa and Solano counties today have letters appealing for aid in the Congressional campaign of Dr. Quinney.

Signed by the three campaign chairmen, John Walle in Solano County, Martin Rothenberg, East Contra Costa, and Assemblyman Masterson, West Contra Costa, it asks for donations of both time and money.

But with your efforts and many small contributions from people whose only interest is in good, honest, and liberal government, Bob Quinney will be our next Congressman," the letter asserts.

The letter also charges that Congressman John Baldwin, Dr. Quinney's opponent, will receive large campaign contributions on his record of voting for the scandal-ridden gas bill and his attempt to amend the Highway Bill to include a $5 million gift to utility companies.

'Act Against Slide'--Zion

"Last winter proved the need for county regulation of hillside subdividing," William R. Zion, candidate for county supervisor from the Second District, declared yesterday.

"With flat building sites becoming scarcer, we are seeing developers move into steeper and steeper country. I for one am glad that builders are finding techniques for using this land. However, the County Board of Supervisors has legal authority, which it should use, to protect the public against some of the problems that are involved," Zion asserted.

"For example, excavating and grading caused landslides last winter that did $200,000 in damage to county roads and damage to private property running into hundreds of thousands of dollars in lawsuits. Also, dozens of new homes, built on fill or slide areas gave way. Thus the problem involves protection of public property, of private property and of new home buyers. It also involves I feel, some consideration for the natural charm of many of our hilly areas."

The candidate said the county "can and should" (1) bring in hydraulic engineers to designate the slide areas which should then be closed to further development; (2) require grading plans with the preliminary subdivision maps, and set up regulations for changing natural contours and removing trees; (3) increase some of the drainage requirements; (4) set up specific controls over winter excavating, grading and drainage."

AIRS 4-WAY SUPERVISORY PLAN FOR 2nd DISTRICT

We believe that in the election of the 2nd District Supervisor, we are charting the future of Contra Costa County. Decisions made today, tomorrow, and in the weeks to come will have a tremendous influence upon the kind of an area our county will be in future years, with the enormous growth that is bound to come. Our choice of C. R. Wallace as candidate for Supervisor of the 2nd District was based upon his competency, his vision and his mature judgment. He has brought these qualities to bear in preparing the following 4-way plan to cover the principal necessities of county planning.

1. MASTER PLANS—The immediate establishment of master plans for all areas of the county so that its future can be charted intelligently with full protection to the home owner and the business man; to reduce to a minimum the granting of land use permits, variances and rezonings; to end special privileges; to apply the same rules to all people. This can only be accomplished by the establishment of master plans and with men of integrity on the Board of Supervisors to back them up.
2. HOME RULE CHARTER—Modernize our county government by establishing a Home Rule Charter form of government with an executive director, appointed by the Board of Supervisors and answerable to it, to coordinate the activities of government departments. Home Rule Charter would eliminate much duplication of effort and permit combining a number of functions for greater efficiency and economy, putting our county government on a businesslike basis.
3. FUTURE DEVELOPMENT—We should start being prepared for the tremendous future growth of the county by establishing now, programs for future highways, the development of rapid transit and the development of water resources.
4. PARKS AND RECREATION—We have fallen far behind in acquiring park sites and recreational areas in the county. We should develop areas for this purpose immediately, before all desirable places become unavailable or so expensive that we cannot afford to acquire them.

We think these are good, well thought-out plans for the future. Wallace will bring them to the people. The desire of the majority of the people for better county government is the reason why Wallace is seeking election to the Supervisor's office. He will explain to the people, he will advise the people, he will carry out the people's choice.

For information about Wallace for Supervisor, please contact the Wallace Headquarters at 3596 Mt. Diablo Blvd., Lafayette. Phone ATlantic 3-8101.

Ram Gymnasts Win Bay Area Meet

Pleasant Hill, Diablo Divide Four Trophies

By MIKE FARMER

A quintet of Ram gymnasts, once again led by Charlie Cox, advanced a giant step in their journey toward state-wide recognition, as they received the highest overall score in the Bay Area Sectional meet at Diablo Saturday.

Pleasant Hill and Diablo divided the four section trophies offered for the meet. The Rams took the bronze figures for varsity special events and "B" apparatus, while the Devils reversed the sequence.

CHARLIE COX accepted four of Pleasant Hill's seven first place medals, finished second in three events, third in two and fifth in two. Cox' wins were in the horizontal bar, doubles (with Tom LaFrance), long horse and all around sections.

Other top event honors went to Artie Day in free exercise and tumbling and Dick James in the rope climb.

Terry Whittington rounded out the Ram scoring with a fourth in tumbling.

Supplementing his two firsts, Day received a third in doubles (with Dick James), and another in the trampoline division.

TOM LaFRANCE added three fifth place points to the team score in the horizontal bar, parallel bars and all around sections.

The Rams led in total varsity scoring with 82 points. Diablo followed with 66½, while Oakland and Richmond received 43½ and 5½ respectively.

Not to be outdone, Pleasant Hill's undefeated "B" team also led the field in total scoring.

ARTIE DAY headed the lightweight drive, winning the parallel bars and long horse events, placing second all around and third on the side horse.

(Team members may participate in both varsity and "B" divisions providing they meet the lightweight classification standards and compete in different sections, i.e. varsity special events and "B" apparatus or vice versa.)

Assisting Day in the win department were Terry Nevin in free exercise, and Bob Williams on the rings. Nevi also placed second in the long horse and trampoline, and third in the doubles (with Terry Dekat) and tumbling divisions.

BILL CROMWELL added valuable points with a second in the rope climb.

Two thirds, on the horizontal bar and rings, a tie for fourth on the parallel bars and a fifth all around by Terry Whittington bolstered the Rams' position.

Jack Bigelow, with a fourth and a fifth, Bob Landers, with a fourth, plus fifths by Bill Shisler and Andy Samson completed Pleasant Hill scoring.

Overall totals resulted in favor of Pleasant Hill with 73 points, followed by Diablo with 63, Richmond with 44 and Oakland with 13.

COX AND DAY represented the team in accepting Pleasant Hill's trophies.

Next on the gymnasts schedule are the Northern California Championships.

Red Devils Down Knights, 6-3 On Atnip's Arm

The Las Lomas Knights and the Diablo High Red Devils engaged in a league ball game makeup last Monday after having been rained out last week.

The game, played at Concord, found the Knights giving a good account of themselves before going down by a 6-3 margin.

THE DEVILS started their ace, undefeated righthander Rod Atnip on the mound and he was forced to go all the way.

The Knights took a 2-0 first inning lead when, with two down, shortstop Vern Kenley rapped out a triple, and two were on when Roger Cowell walked. An error by the Diablos, second baseman on Bob Riley's blow scored Kenley, and when third baseman Terry Yeager singled Cowell scored.

Atnip got out of further trouble when right fielder Don Ogden struck out.

THE KNIGHTS stayed out in front 2-0 until the fourth when a hit batter, two errors and a fielder's choice gave Diablo two runs without a hit.

The Knights fought back to take a 3-2 lead in the top of the fifth when left fielder Ron Marsan tripled and came in on Kenley's single.

The lead was shortlived, however, as Diablo put a wild pitch, an error and four hits together for 4 runs, giving the Devils a 6-3 lead.

And that's the way it stayed as Atnip shut the Knights out the rest of the way while Dick Stanley on the mound for the Knights did likewise.

Atnip was credited with the win, giving up three runs on five hits while walking three.

Stanley, for the Knights, gave up six runs, 6 hits, 5 bases on balls, and struck out six.

ONE OUT OF SEVEN

SPORTS

LOCAL-AREA LADS are among the mainstays of the Viking baseball team at East Contra Costa Junior College. Talking things over between workouts are, left to right, Dick Egan, pitcher, who came from Pleasant Hill High School; Hugh Boschetti, coach; Dick Jones, pitcher from Acalanes High, and Bob La Fountaine, third baseman, from Pleasant Hill High.

Church Loop Trophy Won By St. Perpetua's Team

The St. Perpetua's basketball team of Lafayette went undefeated in church league play this spring and as a result wound up in first place with a 5-0 record while the Walnut Creek First Baptist five came in as runner-up, with four wins and a lone loss.

St. Perpetua's was awarded a trophy Friday night for its championship play, with th award coming from Larry Pilcher, who did a great deal of the work in forming the Church League, composed of teams from Lafayette, Orinda and Walnut Creek.

THE TROPHY DANCE, held Friday night at the St. Perepetua's social hall, was quite a success, thanks to the music of Bob Silveira's Debonairs.

The dancers were really "jumping" to the accompaniment of such numbers as "Rock Around the Clock," "When the Saints Come Marching in" and "Shake, Rattle and Roll."

Refreshments were served during the affair.

THE MEMBERS of the championship club were:

Dick Neuman, captain, Morgan Jellett, Gene Vincent, Frank Malyun, Gordon Napolitano, Joe Weiss, Loue Marello, Bob Marello, Pete Villa, Bob Parker, Paul Arrigo, Mike Morris and Don Bone.

Top scorers were Weiss with a 14.5-point average and Jellett with a 12.0 average.

In winning, the club scored 200 points to the opposition's 142.

FINAL LEAGUE standings as released by Larry Pilcher show the following:

	W	L	Pct.	PS	PA
St. Perpetua	5	0	1.000	200	142
WC Baptist	4	1	.800	201	175
St. Stephen's	2	3	.400	182	149
Santa Maria	2	3	.400	175	183
Laf. Community	1	4	.200	116	190
Or. Community	1	4	.200	118	202

The circuit was formed for the first time this year, and, in view of the interest, plans are already under way for a 1956-57 season, which promises an even greater team and spectator participation.

CHURCH CASABA LEAGUE trophy was presented to the championship St. Perpetua's basketball team at the trophy dance at St. Perpetua's social hall in Lafayette last Friday night. Spring Sports Get Boost In New Rulings for Preps

By ERWIN MATTSON

A NUMBER OF NEW RULINGS have been released by the local prep league Board of Managers, in which all but one of the requests made by the coaches were granted.

Twenty games are allowed in basketball, C and D basketball is allowed in the fall on a free-lance basis and a sport practice season can start at the beginning of the semester in which league play begins.

That means that spring sports will all start at the same time.

For the past couple of years baseball couldn't start until March 1, while track and swimming were able to begin any time they felt ready.

The new starting regulations are probably best, as they make it uniform for all sports and will enable coaches to work on specialties, which they have been unable to do, due to restricted workouts.

Early spring sessions in baseball can be devoted to pitchers in particular, where a lot of extra work is necessary if a good job is to be done.

Another new rule permit teams to take part in post-season tournaments, with the decision left up to the individual schools.

In football, nine games are permitted, provided one is played on the bye date, which every school gets now due to the fact that there are seven schools in the league.

Some change will have to be made, however, when Miramonte High becomes a full-fledged member and takes up the present bye date for each team in the circuit.

SEVERAL TIMES in the past I have mentioned that the local prep league wolud be in for a further shakeup as far as member schools are concerned.

It now looks as if the Acalanes High School District will have two new schools in the very near future.

Both will probably start with just a freshman class and take a couple of years to grow to varsity status, but look for the Acalanes District to have five high schools in full swing before 1960, and that means almost a league in itself.

A MEETING on Junior League ball for players in grammar school was held at Acalanes last week, and things are well beyond the talking stage.

An appropriate diamond is in the making, and plans call for it to be ready for play by May 15, with scheduled team play swinging into action the end of the month.

Diamond Chatter...

Season Opening Delayed As Weather Interferes

Openings of the Walnut Creek Rerceation Leagues were postponed last Sunday, much to the regret of all the boys who had their uniforms all shining and new to show off.

The weatherman caused the big opening to be postponed until Sunday, May 26.

The same teams drawn for the opening date will play. In the Coast League Young Sewers versus Parker Robb. The second game will be Highland Realty against Hendrick Piano in the Western National League and the final game will be the Eastern National League Diablo Drugs against City School of Music.

SCHOOL WILL go on for all leagues and will be counted as league games. Last Monday night at City Park the Air Force Reserves won over W.C. Canning 15-0. Steve Miles pitched the win. "Chip" Cunningham starred at bat.

At Parkmead the First Savings defeated W.C. Sheet Metal 14-8. Steve Lawson pitched good ball for the losers.

The Lafayette program will continue this Saturday as teams begin to take shape. Sponsors are responding and the new diamond is taking shape. Managers and the committee met Tuesday night at Acalanes.

THERE WAS SOME confusion with the rules in Walnut Creek's leagues. To clear this up, it states no player can be transferred from one team to another unless the recreation department and the league committee okays the transfer.

This program is a huge undertaking and there are rough spots in any program. No one intends to offend or be different, but rules must be had to control these conditions.

A call will go out to coaches in the Coast League soon to assist in working on the diamond at Parkmead. It will only take one morning to get this field into shape and it will be kept up from then on. Scores for games until Monday night will appear the following week, along with league standings.

At the Las Lomas High Diamond Sports and Games won over Van Horn Motors 9-3. Tom Strain and Richie Nye pitched the victory. Bob Nye and Strain both hit home runs.

RICKY BRENNA for Van Horn starred in the field at short stop and got the only hit off Nye.

The recreation department is putting efforts into having all diamonds ready for play each night, according to Bob Maxey. After the first full week of play all kinks will be ironed out and the program will go into high gear.

Tomorrow night's double-header will be the first game. Lucas Motors will play Lafayette Beauty Shop at 6 p.m., and at 7:30 p.m. the second game will be Mapletown versus Schroeder Insurance at City Park.

There will be no games Sunday

Dons Again Cop County Swim Title

The Acalanes varsity swimmers, under Coach Tom Stamper, came through with an all out effort last Saturday to take all but one first place in the anual county swim meet and piled up 73 points to win the county title which they have now won 12 times.

The meet, held at Mt. Diablo High's pool, found the Dons' ace, George Harrison, taking the blue ribbon in the 100-yard breaststroke and the 150-yard individual medley.

Diver Gordon Furze of Albany was the only non-Acalanes entrant to cop a first when he set a new Northern California prep mark of 222.15 points to cop the event.

DIABLO wound up in second place with 52½ points, las Lomas won third with 33, Pleasant Hill had 29, Albany 20, John Swett 12, Livermore 11½, Liberty 10, Amador 8 and San Ramon 0.

Five places counted in the meet, with the top four qualifying for the North Coast Section Meet to be held this afternoon and tomorrow at Santa Clara.

SUMMARY of the events:

50-yard freestyle—Kiesel (Ac), Talbott (Am), Foster (LL), Mjolsines (Ac), O'Brien (Liv); 24.1 (new record).

100-yard breatstroke—Harrison (Ac), Benings (Al), Pine (PH), Brown (LL), tie between Dathe (PH) and Zuur (MD); 1:05.4.

200-yard freestyle — Freeman (Ac), Biggs (LL), Garner (Al), Shelley (Liv.), Tahira (MD), Martin (MD); 2:14.2.

100-yard backstroke — Geissler (Ac), Desmond (JS), Harvey (MD), England (Lib), Bolen (MD), Dahl (LL); 1:07.7.

100-yard freestyle—Klass (Ac), Moore (MD), Kennerson (MD), tie between O'Brien (Liv.) and Wilson (PH), A. Kawda (Lib); 56.9.

Diving — Furze (Al), Navone (MD), Rouk (LL), Talbott (Am), Baker (Al), Soderer (PH); 222.15 points—new record.

150-yard individual medley—Harrison (Ac), Tahira (MD), Pine (PH), Boland (MD), Dailey (LL), Desmond (JS); 1:34.3.

200-YARD MEDLEY relay—Acalanes, Mt. Diablo, Pleasant Hill, Las Lomas, Livermore, Liberty; 2:01.4—new record.

200-yard freestyle relay—Acalanes, Mt. Diablo, Las Lomas, John Swett, Liberty, Albany; 1:42.8.

County Track Meet Will Be Held Today

The big event of the week in prep athletics is the county track meet, which will be held at the Mt. Diablo oval this afternoon.

Trials were scheduled for last Wednesday with finals to be run off this afternoon.

Pittsburg and Mt. Diablo are co-favorites in the varsity division, while it looks to be Pitt as the team to beat in the Bee division.

THE ACALANES and San Mateo golfers are set to tee off in a practice match over 18-holes at the Orinda Country Club starting at 3 p.m.

Gymnastics take over at 6 p.m. today when Pleasant Hill, Diablo and Sequoia hold a three-way meet at Concord.

Swimming takes the spotlight along with track when qualifying trials are held at Santa Clara, starting at 1 p.m.

The Acalanes varsity swimmers, off their showing in the county, figure as one of the teams to beat in the North Coast finals.

Paced by a pair of aces in George Harrison and Corky Kiesel, both of whom hold national records, the Dons could cop top honors in the Big Meet.

TOMORROW — This is the day of the finals of the North Coast Swim Meet at Santa Clara. Trials start at 9 a.m., with finals coming in the afternoon.

Pleasant Hill gymnasts take part in the Northern California B Championships, to be held at James Lick High in San Francisco. Time: 1:30 p.m.

MONDAY — In league golf it's Pleasant Hill and Las Lomas at the Diablo Country Club. Time: 4 p.m.

Mt. Diablo and Acalanes engage in league golf at the Orinda Country Club at the same time.

TUESDAY — It's a round of league ball.

Diablo looks to be a shoo-in as far as the pennant is concerned, as they are the league's only undefeated team, with all others having lost three or more.

Diablo is the favorite to defeat Pittsburg in a game scheduled for the Steel City diamond.

Acalanes holds the edge over Pacifica at Pacifica, while the Pleasant Hill Rams figure to outscore Antioch at Pleasant Hill.

All games, 4 p.m.

In tennis league, Pleasant Hill rates the nod over Antioch.

Las Lomas draws the bye in baseball.

WEDNESDAY — All is quiet as no athletic events are on tap other than practice sessions.

THURSDAY — The final day of regularly scheduled baseball games.

It's Las Lomas over Pacifica at Concord, Diablo over Pleasant Hill at Pleasant Hill, and Acalanes at Antioch in a tossup.

All games are at 4 p.m.

In tennis the same day, time and place, it's Diablo and Pleasant Hill in a tossup, while the Don racquet wielders should end an undefeated season and cop the title with a win over Antioch. Pittsburg draws the bye.

NEXT FRIDAY — It's the North Coast Sub-Sectional track meet at Alameda, starting at 1 p.m. Look for Pittsburg and Diablo to score well here.

SATURDAY, MAY 19 — Northern California gymnastics championships at the University of California in Berkeley, starting at 1:30 p.m.

Pleasant Hill and Diablo will take part.

Don Hiders Walloped by Knights 11-5

The Las Lomas Knights played host to the Don baseball team last Tuesday afternoon and proceeded to have what proved to be a lucky 13 men come to bat in the opening frame.

They combined four walks, three hits and two Don errors to chalk up seven runs.

THE DONS had gone down one-two-three in their time at bat, and with a 7-0 bulge the Knights were never to be headed.

They chalked up 3 runs in the third and 1 in the fourth for a total of 11 runs on eight hits.

The Dons had one big frame, the fifth, when an error, two walks and three hits gave them five runs.

Outside of the fifth inning rally the Dons were kept well in check by the Knight chucker, Joe Sibley, who gave up but six hits over the seven inning route.

Mike Barrett was on the mound for the Dons for the first five innings and had his troubles as walks, six errors and some timely hitting by the Knights kept him in hot water a good part of the time.

MRS. ALMA PHILLIPS, member of the Walnut Creek Diablo Weavers, demonstrates weaving to guests at the Diablo Art Association's Workshop "Clothesline," held recently on Main Street. It was a preview of the Diablo Spring Art Show, to be held Tuesday through the following Sunday in Walnut Creek.

'Rock Hounds' to Display Work in Walnut Creek

Gems and jewelry, work of the members of the Contra Costa Mineral and Gem Society, will be displayed at Clark's Furniture Store, 1531 Locust Street, Walnut Creek Tuesday through Sunday.

The display is part of the Mt. Diablo Art Association Festival, and will include semi-precious stones, cut and polished by Mineral and Gem Society members, as well as jewelry, polished spheres, and book ends made by them.

BESIDES THE GENERAL society case showing the work of a number of members arranged by Mr. Gene Hainlin, there will be individual cases showing the work of G. C. Green; G. I. Hemrich, and Len Hulse. Mr. Hulse will display some of his unique sets of buttons at the Necchi Sewing Center on Main Street.

The Contra Costa Mineral and Gem Society was formed in 1950 by a group of "Rock Hounds" as the amateur cutters and collectors are called, to further interest in the working of gem stones and the collection of cutting materials, mineral specimens, or just "pretty rocks."

MEMBERSHIP OF THE Society is now approximately seventy family groups, varying from active cutters and collectors to those who enjoy the monthly programs and displays featured by the society.

These occur on the second Friday of each month at the Womens Club, Walnut Creek at 8 p.m. Visitors are always welcome.

The members are glad to share their knowledge of the various phases of the hobby and will try to help anyone from those who "would like to but don't know if they can" to advanced cutters and collectors with specialized problems.

If they don't always know all the answers to the latter, they will at least try to find them.

"Come and see our display, May 15-20, at Clark's Furniture Store, and if you like that, visit us at one of our meetings. We were all beginners once, and we will help you all we can," said Wences Keegan, President.

Knights Edge Panthers, 13-12

Don Hopkins, bright frosh pitching prospect at Las Lomas, made his varsity debut a winning one May 2 when he faced the Antioch Panthers in a league varsity game and emerged a 13-12 winner.

The game, played at Antioch, was a makeup of a game rained out the previous week.

The game, as the score would indicate, was a wild and wooly one — in fact it was tied 12-all at the end of the regulation seven innings and the Knights won it when they scored in the eighth.

ANTIOCH TOOK the lead, scoring a run on a hit in the first.

Las Lomas took the lead in the top of the fourth by scoring four runs on two hits, three walks and an error.

The lead changed hands in the same inning, however, when Antioch really went to town, posting seven runs on three hits, four walks, and three errors, giving the Paper City nine an 8-4 lead, which went to 9-4 when they scored again in the fifth.

Antioch added two more in the sixth for what appeared to be a comfortable 11-5 lead.

THE KNIGHTS were not to be denied, however, as they tied it up with a five-hit rally that produced seven runs to knot the count 12-12 in the seventh.

The big run, the lucky 13th, came in the eighth when Shortstop Vern Kenley was on via an error and later scored on a fielder's choice.

Hopkins wound up the game when he set Antioch down in apple pie order in their turn at bat.

IN GOING the route, Hopkins gave up 12 runs on nine hits. He struck out nine and walked a like number.

Bob McKinney went the first six innings for Antioch, giving up five runs on four hits and walking four. Ray Rebstock took over the final two frames, yielding eight runs on eight hits and giving up two bases on balls.

Antioch had five errors to eight for the Knights.

'Anastasia' Run Continues At Geary Theater

"Anastasia," the Marcelle Maurette hit of two continents, with the English adaptation by Guy Bolton, is currently playing a limited engagement run at the Geary Theatre in San Francisco.

Produced by Huntington Hartford in association with Edward Choate and Albert H. Rosen, the show is headed by its original New York cast, Eugenie Leontovich and Viveca Lindfors, and features David Lewis, with direction by Alan Schneider.

The story of "Anastasia" is the oft told tale, but never proven, legend that the youngest daughter of Czar Nicholas escaped when the revolutionists machine-gunned the entire family. Now residing in Berlin, she still attempts to gain recognition as Princess Anastasia of the House of Romanoff.

Seats are available at the box office for all performances, with matinees at bargain prices on Wednesdays and Saturdays. The show closes May 26.

Improvement Group Picks New Officer

The appointment of Mrs. Robert MacHugh of Lafayette as executive secretary of the Association for the Progress and Improvement of Contra Costa County, was announced today by George Weise of Martinez, president.

Commenting on the qualifications of Mrs. MacHugh, Weise stated, "She has proven herself eminently qualified to assume the responsibilities of the Association through college training at the University of California, business experience and civic activities in Contra Costa County."

Mrs. MacHugh studied civil engineering at the Colorado School of Mines, received a bachelor of science degree from the University of California in landscape architecture and made a five month stuy tour of the European continent.

She has been employed as an eengineering and architectural draftsman in the offices of consulting engineers in Northern California, she was engaged by the Contra Costa County Planning Department in 1954 on a temporary appointment as an assistant planner in 1954.

Gael Students Train Two Frogs For Competition

Under intensive training for the Jumping Frog Jubilee to be held at Angels Camp in Calaveras County from next Thursday through May 25, are the two entries from St. Mary's College, Aristophanes II and Galloping Gaey.

The two frogs, residents of the Moraga campus, are under the care of Jumping Frog Committee chairman Al Collins and trainers Roger Sopher, Charles Micone and Don Calcaterra. Both a special diet and training technique are being employed.

Committee members are confident that the frogs can approach if not better the world's amateur record of 16' 10".

California Fate To Be Topic of County Meeting

"More people, more autos, industry — can our California way of living survive?" is the provocative question title to be answered at the 4th annual University of California Conference on City and Regional Planning, being held at the Richmond Auditorium today.

The yearly meeting, which attracts statewide attendance, is sponsored by the Department of City and Regional Planning and University Extension in cooperation with The League of California Cities, the County Supervisors Association of California, and the Northern Section of the California Chapter of the American Institute of Planners.

Members of the Contra Costa County Women's Planning Conference will participate along with government officials, planners, economists, political scientists, developers, builders, realtors, and representatives of various civic groups.

Carol Aronovici, Planning Consultant and author, will be the speaker at the afternoon general session. Nine workshops will be held following the keynote speech. Among the topics to be discussed are: "Does the Growth of Cities Endanger California's Natural Resources?" "Will Metropolitan Regions Be Able to Save Enough Open Space for Future Needs?"

"What Steps Should We Take to Reserve Sites for Schools, Recreation, Parks, and Other Community Facilities in New Residential Areas?" "Is Rapid Growth Causing Desecration of Landscape and Townscape?" "Do Our New Planning Commissioners Know Their A-B-C's?"

Mrs. Mitchell Farrar, President of the Contra Costa County Women's Planning Council, will address the evening session in a report on workshop findings and conclusions.

Pacifica Gets 4-1 Trouncing From Ram Nine

Four runs on nine hits by the Pleasant Hill Rams marked the defeat of the Pacifica Spartans at the Concord Recreation Center Tuesday.

Winless Pacifica was allowed only three hits by the combined pitching efforts of Mike Mayne and Mike Cereda.

THE SPARTANS scored one run on a walk, a single and a passed ball in the final frame.

Pleasant Hill scoring was confined to the second inning as the Rams filed through the batting order, drilling six hits to all fields.

First of these was a double to left by clean-up batter Jim McMillin. Dave Bartels followed with a single to center which scored McMillin.

BARTELS advanced to second on the throw to the plate.

Gary Scott was thrown out at second as he attempted to stretch a single that had scored Bartels.

First baseman Bill Locatelli hit Pleasant Hill's last double of the day and crossed the plate on Mike Mayne's single to right. Mayne moved to second on leadoff batter Tom Larscheid's subsequent single to right and scored on an error at first for the Rams' final tab.

COOPER MILLER received two of Pacifica's three hits, while Jim Raber accounted for the third.

Ram hurler Mike Mayne was credited with the win; Jim Raber took the loss for Pacifica. Mayne fanned nine batters in five innings.

Local Lassies Shine at Meet

The Junior Membership of the California Federation of Women's Clubs held its Festival of Awards at the convention last Friday and Saturday at the Fairmont Hotel in San Francisco.

Among the awards presented was the Josephine Seamans Award for outstanding work, presented to the Lafayette Junior Women's Club. The Orinda Juniors received a second place award for literature and a third place award for education, both in the medium club size classification.

Highlight of the convention were the Build a Better community awards. The Orinda Juniors received honorable mention in the medium size club division and the Lafayette Juniors honorable mention in the large size division.

They both were awarded $35 certificates.

The race for the Build a Better Community Awards was carried out in a horse race theme for the presentations and Mrs. Burt Kendall was assisted by Jockey Johnny Longdon.

Each winning club president received a ride on a carousel placed on the stage for the occasion.
